Fake officer 'seen' often

Over ten calls a day are being received by Granite City police to check out possible "fake policemen" or to verify that officers at a scene were sent there by the department.

A composite sketch of a suspect was published Monday after there had been two unsuccessful attempts to enter homes and a third instance in which a rape occurred.

While the public concern is causing some difficulty for bonafide police, they are pleased that citizens are cooperating in the department's effort to locate the suspect.

He has been wearing what appears to be a police uniform and driving a car resembling a patrol vehicle. He is in his mid-20s, weighs about 175 pounds and has shoulder-length brown hair. He is about six feet tall, has a thin face and wears wire rim glasses.

Weather outlook for this region

Partly cloudy today with high in mid-50s. Good chance of rain tonight and Friday. Low tonight 40 to 45. High Friday about 50. Chance of rain Saturday through Monday; lows in the 30s and highs in the 50s.

Cit could speed remedy for coke ovens

Granite City government support of efforts by Granite City Steel to alleviate coke oven pushing emissions could speed the implementation and reduce pollution, the monthly prayer breakfast gathering was told yesterday.

The Granite City Air Pollution Control Board has declined to take a stand backing the industry's current efforts, Granite City Steel Vice President Donald P. Cairns said during a detailed review of economic-energy-environmental issues.

State authorities initially sought to force Granite City Steel to install a coke oven shed system that the company was convinced would have harmed the health of its employees, Dr. Cairns said.

"Later tests by Bethlehem Steel in Indiana have shown we were right," he said, the gathering of about 50, assembled by the Community Service Division of the Granite City Rotary Club.

Dr. Cairns said Granite City Steel is "inventing" a remedy for emissions resulting from the coke pushing process but that progress on it is being adversely affected by the absence of official state-local recognition of the potential merits.

In a wide-ranging analysis of the trend toward many new regulatory procedures at all levels of government, Dr. Cairns voiced praise for many of the goals but urged specific revisions to replace "the butcher's axe with the surgeon's scalpel."

Numerous scheduled laws, rules and deadlines will not be met by municipalities and business firms because they are impossible or would cause further heavy damage to employment rolls, the breakfast group was told at Charlie's Restaurant.

"Needed actions include revision of the Clean Air Act to correct procedural difficulties and adjust timetables," he asserted.

"The Water Pollution Control Act needs to be revised to give the Environmental Protection Agency time to develop standards, and cities and industry time to respond."

"Procedures need to be simplified wherever possible. The Illinois Environmental Protection Act needs to be changed to restrict permit requirements, require altered EPA management, provide for conferences between EPA and respondents, allow for compliance orders similar to Section 113 of the U. S. Clean Air Act, re-examine standards where environmental overkill is apparent, and streamline procedures for permits, variances and review of rules."

"At some point, Illinoisans may wish to abolish their Pollution Control Board and use the circuit courts for review of EPA actions," he commented.

"I suspect that if you took a survey of public opinion in the communities around our plant — in Granite City and Madison, particularly — you would find that Granite City Steel enjoys a generally good reputation," Cairns commented.

"It helps if you pay better than most employers in your area. We certainly do that."

"It helps, too, if your people are not worried about their job security all the time."

"Automobile plants and many other manufacturing industries have been forced to lay off thousands, Granite City Steel, fortunately, has been able to maintain operations at a consistently high level."

"Our company also puts a tremendous amount of money into the local economy. Our 1974 payroll reached \$84 million, and more than half went to residents of the Quad-Cities."

"We paid out another \$89 million last year for materials and supplies purchased in the St. Louis area and, again, a substantial part of that went to companies and people right here in the Granite City-Madison area."

"We also pay taxes, of course — including about one-third of

South High will leave conference

Announcing plans to initiate a major athletic rebuilding program at Granite City High School South, B. J. Davis, superintendent of the Granite City school system, said Wednesday afternoon at a press conference that GCHS South is withdrawing from the Southwestern Conference, effective with the 1975-76 school year.

"We believe," said Supt. Davis, "that due to the recent split into two four-year high schools in the Granite City school district, the athletic programs at South are faced with a major rebuilding period."

"It is sincerely believed that this effort cannot progress substantially when confronted with the rigorous and most difficult schedule commitments prevalent in one of the most prestigious athletic conferences in the state of Illinois, the Southwestern Conference."

Supt. Davis reported that this effort cannot progress substantially when confronted with the rigorous and most difficult schedule commitments prevalent in one of the most prestigious athletic conferences in the state of Illinois, the Southwestern Conference.

South High will complete its 1974-75 conference commitments this spring.

All athletic contracts with 1975-76 school year will be considered voidable due to South's discontinuance as a Southwestern member, he added.

Joseph Fedora, director of athletics of the school district, noted that GCHS South — formerly Granite City High School before the creation in 1973 of GCHS North — has been a charter member of the conference, active in it since the mid 1920s.

"This decision has been discussed as a possibility for the past few years," said Fedora, "and it has been helped along by a decrease in the favorable showing in conference competition involving some sports during the past five years."

Six local candidates for Demo national committee

John P. Touhy, chairman of the Democratic State Central Committee, announced this week the names of the candidates to fill five vacancies on the Democratic National Committee.

The five will be selected at a meeting of the State Central Committee at 1 p.m. in the Forum 30 Hotel, Springfield, on Thursday, March 13.

The selection will be by roll call vote of the committee. Each member of the committee

may vote for up to five candidates. There is no cumulative voting. Each member votes a weighted vote equal to the Democratic primary vote in March 1974 in the appropriate congressional district.

The five vacancies were caused by one resignation and by the allocation of four additional seats to Illinois pursuant to the Democratic National Charter adopted last

December in Kansas City.

The total of 48 candidates announced by Touhy includes six residents of the Quad-City area.

They are: Sam W. Wolf, 21 Bermuda Lane; Robert E. Walkenbach, 2741 Ralph St.; Lacie Kovachik, 2500 Edwards St.; Roy L. Wilzig Jr.; Mrs. Carole A. Kopie, 2707 Harvey Place; and William L. Gushoff, 1671 Fourth St., Madison.

Area PTA Council confers awards

Mrs. Vera Farrow, an active PTA officer and member for 24 years, was awarded special honors at the annual awards banquet of the Granite City Area Council of Parent-Teacher Associations held last week in the cafeteria at Granite City High School South.

Mrs. Dorothy Phelps, council president, presented Mrs. Farrow with a plaque signifying that her name has been recorded in the Illinois Congress of Parents and Teachers' official book of recognition. The honoree also received a bouquet of American Beauty roses.

A past president of the Granite City Area Council of PTAs and a past president and vice-president of Nameoki School PTA, Mrs. Farrow has served as chairman of each PTA committee with exception of room mothers.

Mrs. Farrow has been a teacher for 44 years, having started her career at the Sand Prairie schoolhouse. She has taught classes in music and pupils in kindergarten and the primary grades.

At present, the honoree is a learning disabilities teacher at Nameoki and Frohardt elementary schools.

Mrs. V. J. Brazier of East Alton, a past president of the Illinois Congress of Parents and Teachers, gave the invocation. Special guests introduced were George Moore, secretary of the Granite City Board of Education and Mrs. Moore; Harold E. Briggs, superintendent of the Educational Service Region, Madison County, and Mrs. Briggs; Granite City Superintendent of Schools B. J. Davis and Mrs. Davis; and Mrs. Charles Currins, PTA District 29 secretary.

Other guests included representatives from the District 29 board and delegates from the Alton and Collinsville Area PTA councils.

After dinner, entertainment was presented in the school auditorium by members of South Band under the direction of Joseph Owens and Terry Wafar.

Also featured was a comedy presentation, "Out of the Flying Pin," given by the South High Speech Department. Mrs.

Beverly Scroggins was the director and participating were Greg Terrell and Leon Scroggins.

Life memberships in the Illinois Congress of Parents and Teachers were awarded to Mrs. Joyce Tussaint of Frohardt PTA; Fran Taylor of Johnson PTA and Joel Taylor of Nameoki.

Other awards were bestowed upon individuals by local PTA units for outstanding and devoted service.

The school, recipient, award and person making the presentation are listed in sequence as follows:

Emerson PTA—Pat Mitchell, Carol Funkhouser and Helene Kettelhut, outstanding service to the school presented by Mrs. Sheila McLaughlin.

Frohardt PTA—Melba Elmore, Karen Frazar, Laverne Hammond, Joyce Harris, Arlene Laub, Delores McCallister, Sue Moss, Judy Russell and Janet Wilson.

distinguished service awards by Sara Metcalf and Lee Reid.

Johnson PTA—Frisella Mikuleza, Dorothy Bailey and Bill Apperson, distinguished service, by Katie Wilson.

Lake PTA—Kathy Blacksoe, outstanding service, by Phyllis Wiggins.

McKinley PTA—Mildred North, outstanding service, by Sadie Bringer.

Mitchell PTA—Frances Cuevas, outstanding service, by Viva Elliott.

Stallings PTA—Ruth Jorgenson and Wilma Bowen, outstanding service, by Maude Bates.

Wilson PTA—Denise Smith, outstanding service, by Harriet Evans.

Washington PTA—Barbara Elmore, outstanding service, by Miss Nancy Marti.

Special service awards were also given to Mrs. Sheila McLaughlin, president of Emerson PTA and to Phyllis Wiggins of Lake PTA.

Tips to families on viewing television

By CATHERINE R. MAUCK
Adviser-Home Economies

Today, the average American family spends more than six hours per day—well over one-third of its waking hours—watching television.

Yet, ironically, the TV isn't oriented toward the family.

In most homes, the TV stops family conversation and communication, and transforms family members into silent watchers.

Studies show that children are more frightened by realistic rather than stylized violence, that too early an exposure to violent and stressful programs is frightening, and that TV makes its biggest impact when children can't turn to parents or friends for more information.

The same studies showed that most shows seen by children are adult programs—westerns, crime, and drama; that TV is most often used for entertainment and escape.

Also, that TV reduces time for playing and dominates a child's leisure; and that the more conflict there is between parent and child, the more TV is watched.

A comprehensive examination of TV and violence by the Surgeon General's Scientific Advisory Committee showed that while most children do imitate behavior they see, aggressiveness as a result of seeing violent films showed up in the behavior of only some children who were already aggressive.

There are some positive factors about family TV viewing, too. In its own unique way, television provides information, fun, enjoyment and pleasure.

It brings a broader view of life to people, and provides opportunities for expressing emotions such as love, hate, ambition and accomplishment. To help families take advantage of the positive factors of TV viewing and to offset the negative ones, follow these recommendations by the National Association for Better Broadcasting:

1. Families, for their own sake, should control their TV use.
2. Parents should watch at least some of the programs their children watch, and with them, establish rules and guidelines for the best use of TV.

Gov. Walker to visit

Governor Daniel Walker is scheduled to visit the Madison post office on Friday, March 21, it was announced today by Patrick Quinn, an aide to the governor. The exact time of the visit has not been established.

Purpose of the visit is to check with people of this area on how the distribution of food develops through the Madison post office is going.

Prior to March 3, residents of this area had to travel to either East St. Louis or Alton for food stamps, causing a hardship on the poor and the elderly, state officials say. Since then, the centers have included the Madison and Granite City post offices and the Nameoki postal station.

\$10 billion state budget

A record \$10,750,000,000 annual budget, \$2.4 billion higher than the present budget, was submitted to the Illinois General Assembly yesterday by Gov. Dan Walker. The proposed 1975-76 budget was described as a "shoot-the-wreck fiscal attack on the state's economic problems."

Walker proposes using the full \$215 million balance expected in state funds at the close of the present fiscal year in June, as well as \$366 million anticipated from a projected increase in general revenue.

Included are nearly \$6 billion in grants and capital construction programs for schools, local governments and community-based agencies, up more than \$1 billion from this year; \$1,821,000,000 for public aid, up nearly \$181 million; about \$2.5 billion for state construction and capital grants to agencies to spur more jobs, and \$2.5 billion for transportation.

Funds proposed for this area include: \$16.8 million for "land banking" for a major airport near Columbia; \$384,000 for

operation of the St. Louis Metropolitan Area Airport Authority, less than half the present appropriation; \$5 million for a visitor center at Cahokia Mounds State Park; and funding for continuation of Amtrak's St. Louis-to-Chicago train.

Also proposed is \$90.9 million for both Southern Illinois University campuses, a 7.7 per cent increase, including \$30 million for the local campus. The funds, if approved, would allow a 10 per cent pay increase for all university employees.

Advance tickets only for Schmitt banquet

Only one week remains—for those planning to attend the Bill Schmitt Testimonial Dinner—to purchase tickets. For \$20, ticket chairman, said today.

He pointed out that tickets must be purchased in advance, as none will be sold at the door on the evening of the dinner.

The testimonial tribute honoring Coach Schmitt for his 25 years' service to Granite City youth will take place at 7 p.m. Thursday, March 20, in the cafeteria at Granite City High School South.

"Celebrating Smitty's successful quarter-century as wrestling coach in our school district will not end with the dinner," Patrick noted.

All ticket holders are being invited to continue the festive evening at a reception and informal party immediately following the school program.

County value tops \$1 billion

Madison County's property assessments for the 1974 tax year have been certified by the Illinois Department of Local Government Affairs at \$1,022,282,000, the first twofold assessment exceeding the \$1 billion mark in the county's history.

Madison County Superintendent of Assessments James Barton said the assessment figure was received by his office today.

The figure does not include railroad or capital stock assessments which are added to local values by the state.

The figure also is subject to assessment additions that may be made by the Board of Review which still is conducting hearings at Edwardsville.

Last year's total county assessment set locally was \$569,301,470.

That assessment was increased to \$890,587,828 after railroad, capital stock and Board of Review additions were made.

Notice of the 1.0 multiplier was received by County Clerk Evelyn Bowles and Superintendent of Assessments James Barton. The tentative multiplier is based on assessment figures made by local assessors which are subject to change by Board of Review action.

Miss Bowles said there appears little chance of any such change and her office is proceeding with tax extension work on the basis of the 1.0 multiplier. The 1.0 multiplier means there will be no change in assessments as fixed by county officials.

Mrs. White dies at 39

Mrs. Dorothy Joan White, 38, of 3822 Norwood Drive, died 3:32 p.m. Wednesday at St. Elizabeth Hospital where she had been a patient two days.

She was born in Detroit and lived there until moving to this area 15 years ago.

Mrs. White was a member of the Briarcliff Pentecostal Church.

She is survived by her husband, Gracie White; four daughters, Linda, Lisa, Lori and Leslie White, all at home; one brother, Mac O'Rear of Detroit; two sisters, Mrs. Jim (Millie) Ellsworth of Livonia, Mich., and Mrs. Paul (Wanda) Catlett, Collins, W. Va.

Funeral arrangements are given in the obituary column.

GC Steel

(Continued from Page 1)

all the property taxes collected in the Township and City of Granite City.

"As far as a company's public reputation is concerned, it does no harm to have a long, close association with your home community. The City of Granite City and Granite City Steel have grown up together since the 1890s, when Granite City was established around the then new Granite City Steel plant."

"All the evidence seems to indicate that Granite City Steel does indeed enjoy a good reputation with the exception of one key area."

"There is no doubt in my mind that our popularity rating falls off sharply when it comes to what the public thinks about pollution. We are a very big, very visible target for environmentalists and we have been attacked hard and often in recent years."

"We have failed to convince some of the obvious... that the environment in Granite City and Madison and any place else affected by our steel mill is, indeed, getting better. Yet this is a demonstrable, measurable fact."

"We have failed, too, to convince our neighbors of the extent to which we have already overcome Granite City Steel's environmental problems."

"The last ten years have seen a tremendous reduction in pollution by our plant facilities and processes."

"That statement is, if anything, conservative. If the following:

"Our steelmaking processes used to emit hundreds of tons of dust a day into the air. That came to an almost end in 1967."

"Particulate emissions from our coke oven and blast furnace plant are only about one-tenth what they used to be."

"The wastewater we used to discharge without treatment now passes through a highly efficient treatment system. It is cleaner when it leaves our plant than when we took it out of the Mississippi River," the steel officials say.

"We are the first steel mill anywhere to engage in the large-scale recycling of ferrous wastes in cans from the trash collected by the City of St. Louis."

"In 1968, we have spent \$15 million to install anti-pollution equipment, which has also added \$1½ million to our annual operating costs."

"So why is our reputation no better with the environmentalists? There are several reasons. One is the tendency of newspapers and radio and TV stations to accentuate the negative."

"Criticism from the staff of a state or federal environmental agency makes more news for some reason than an announcement that we have completed the difficult, often costly job of controlling emissions from an older operating facility."

"Example: records of the Technical Services Section, Division of Pollution Control, Illinois Environmental Protection Agency, show that the quality of air over Granite City is significantly better than in the past."

"We are well within state standards in sulfur dioxide content and have experienced what the state calls 'marked improvement' in levels of particulate matter — fine dust."

"However, at one station in Granite City, the particulate count remains high... and it is that single station rather than the air quality overall that attracted the attention of the press. Only the Granite City Press-Record reported the situation as it really is — objectively, and not sensation."

"Another reason for our failure to reach the public with the full story is that we are forced to aim at what amounts to a moving target."

"Clean air and clean water regulations are not static. The standards we must meet today are victory over what will be more stringent tomorrow."

"The farther you go, the more costly it becomes to clean up the remaining pollution while the attendant benefits are less and less."

"The University of Illinois has closed its full enrollment to sophomore transfers and freshmen students in agriculture, commerce, education, engineering and liberal arts and sciences."

Cerro Corp. will close permanently its strike-bound Cerro Copper Products plant in Saugat.

JEEP IS LOOTED Items worth about \$360 were stolen from a jeep belonging to Arvo Carney, Madison, parked on the company's auto storage lot, it was reported at 10:30 a.m. Tuesday. Taken were four tires, a jack, a lug wrench and some tools.

on Edison Ave.

Saturday at St. Elizabeth Hospital.

The free clinic is sponsored by Granite City Elks' Lodge 1083 and the Illinois Elks' Association Physically Handicapped Children's Commission.

The event is held annually here to detect physical handicaps and refer the child or young adult to the proper medical areas for help. Physicians from the Granite City area will conduct the clinic. Parents, school nurses or others suspecting a child may have a handicap are requested to refer the child to the clinic for examination.

The Elks annually conduct free clinics, such as this one, throughout the state.

Free transportation to Saturday's clinic here is available and may be arranged by calling 876-8530.

GCHS NORTH FOLLIES REVIEW will be held in the Granite City High School South auditorium Friday with curtain time at 8 p.m. One of the original skits is "Mary Poppins," the unpredictable nursery governess in the Bank's family, who saves the day with her special gifts of magic. Students from the Oral Communications class presenting the skit are from the left Jim Shenwell, Carrie Nolen, Tammy Smith and Linda Morrison. There are no reserved seats. Doors will open at 7 p.m. Admission at the door is \$1 for students and \$1.50 for adults.

MHS student disciplined

A Madison High School student was placed in an alternative educational program with Co-ordinated Youth Service and will be allowed to return to school when the agency feels he can make a proper adjustment, according to John Paichoff, superintendent of schools in Madison.

The action was taken during a special meeting of the Madison School Board Monday evening in the board office.

The board reaffirmed its policy that a student can be suspended by the school administrators only after a preliminary hearing is held between the student and the administrator, in order that the student be made fully aware of why the action is being taken.

In other action, the board established a salary of \$350 for a pilot track program for girls at MHS. The position of coach is yet to be filled.

David Uherick was made day custodian at the high school. He has been working on the mid-night shift.

Hits barricade Car overturns

Thomas Bauer, 40, of 1723 Elizabeth St., was injured when his auto struck a barricade on Nameoki Road just north of Folsom Road at 5:40 a.m. Wednesday.

It was reported that Bauer's southbound auto was passing a car of Ermon Whittington, 4505 Vine St., when it came upon where the roadway is separated by a barricade during construction.

Bauer's auto knocked a barrel in the barricade into Whittington's auto and the barrel continued about 60 feet before stopping. A "Keep Right" sign also was knocked from a post in the barricade.

Bauer was charged with reckless driving. He was taken by ambulance to St. Elizabeth Hospital where he was admitted with a two-inch cut to his scalp.

F. M. Hanvey, 47, dies

Francis M. "Johnny" Hanvey, 47, of 2445 Kilarney Drive, ill for one year, died at 12:35 a.m. Wednesday at St. Elizabeth Hospital. He had been hospitalized 54 days.

Born in Maryville, Ill., Mr. Hanvey resided there until moving to Granite City 14 years ago.

He last was employed at American Steel Foundries for two years as a laborer prior to becoming ill.

Survivors include his wife, Mrs. Patsy Hanvey; one daughter, Miss Joni-Jean Hanvey; four sisters, Mrs. John (Clara) Kreckmak of Worden, Ill., Mrs. Alice Paar, Mrs. William (Gertrude) Downing, both of Edwardsville, and Mrs. George (Beatrice) Finney of Evansville, Ind.

Funeral arrangements are given in the obituary column.

TWO GUNS STOLEN

An antique shotgun worth \$200 and a \$75 rifle were stolen from the home of Lloyd Goodman, 2131 Missouri Ave., it was reported at 7:20 p.m. Tuesday. There were no signs of forced entry into the home.

"SNOW WHITE CRUMBLES THE COOKIE SYNDICATE" will be one of the original skits presented Friday at 8 p.m. in the auditorium at Granite City High School South by members of the Oral Communications classes of GCHS North. Snow White (Fran Litzelman) revisits the dwarfs, who have joined an illegal cookie syndicate and Cookie Man (Larry Miller) saves the day.

Co-ordinated Youth plans camp program

"It takes a high ratio, 24 staff people to 50 campers, to give the attention needed so that a child can get the most through this type of experience. We would rent a camp grounds near Flora, Ill.," he added.

"One thing that also is stressed is very good meals for the children," Dr. Troyer emphasized.

Attending the meeting with the speaker was Mrs. Linda Daton who is active with the National Youth Development Foundation and "Camp Personality," a similar-type camp in southern Missouri for St. Louis children.

The Kiwanians referred the matter to the board of directors for further study and a recommendation to the club. Kiwanian Howard Ebertson, a member of the board of directors of Co-ordinated Youth, is helping raise the needed \$1,000, according to Dr. Troyer.

K.C. inducts 3 members

The Tri-Cities Council No. 1098, Knights of Columbus, conferred the admission degree on Phillip Gac and John P. Vasiloff, both of Granite City and Leonard Mikolajuk of Madison at a meeting last week. The degree team consisted of James DeKuntz, chancellor; Dr. J. B. Vasiloff, grand knight; Frank Kierski, deputy grand knight; Richard Kierski, warden; Kenneth Motti and Eric Moonhegan, assistant wardens, and T. A. Feeler, financial secretary.

The members agreed to make a monetary gift to St. Stanislaus Lodge directory and the Sacred Heart School cook book directory in honor of the 50th anniversary of the school. The local council will have six bowling teams in the Madison County Knights' Bowling tournament at Wood River Sunday. Roy Ponce is chairman of the bowling committee.

Mike Modrusic, activity chairman, reported a St. Patrick's Day dance will be held Saturday, March 22, at the K. C. hall. Tickets are \$1.50 in advance and \$2 at the door. The Frank Kafka Trio will furnish the music and the public is welcome, according to Modrusic.

Edward Evans, faithful navigator, reported that a fish fry will be held from noon until 7 p.m. at the hall on Good Friday, March 28. Tickets are \$1.50 per plate with carry-outs available.

Grand Knight Vasiloff presented Harry Sampson with a 25-year membership pin and certificate.

Guests at the meeting were District Deputy William Balke of Highland and William Detmers of Alton. Refreshments were served after the meeting.

Rebounding helps North win foul-marred O'Fallon contest

Granite City High School North advanced to Wednesday's semifinal contest against the second-seeded Edwardsville Tigers by pulling the court out from under O'Fallon Panthers, 74-68, Monday night.

After trailing the Panthers 14-11 and 20-20 after the first two quarters, North utilized the inside shooting of Larry Jones, layups by Darrel Page and outside corner shots by Greg Gauen to put 25 big points on the scoreboard in the third period. The three accounted for 20 points during the quarter.

This provided the Steelers a 24-24 margin, and North then outscored the Panthers 18-14 in the final period.

The Steelers pulled down 16 of their game total 39 rebounds in the final period. O'Fallon recovered only 28 in the game. From the field, North shot 41 per cent, making 26 of 63 attempts. O'Fallon hit only 20 of 57 shots for 35 per cent.

Clearly shots were plentiful, North hitting on 19 of 27 and O'Fallon 18 of 21.

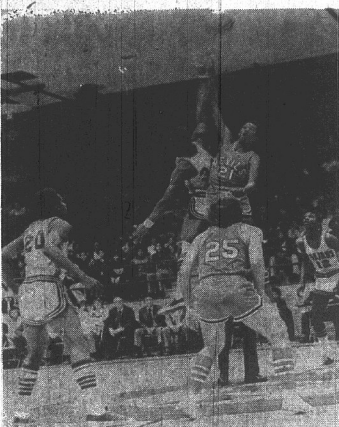

Fouls dominated the contest, constantly interrupting the flow

of play. North committed the fewest fouls, 19-20.

O'Fallon made the fewest turnovers, 19-20.

The Steelers defense allowed only three Panther players to score in double figures — Ken Betts 14 and Rich Jones and Bryan Holland 12 each — while four North players had double-digit points.

Mike Waldo took top scoring honors with 20 points; Page had 15, Gauen 14, Jones 13, Tom Schocker four, Larry Schleicher three and Rick Spurlock and Gene Logas, two each.

CHAMPIONSHIP GAME of the Dupo regional tournament was a classic confrontation between the powerful Venice Red Devils and a team that had defeated the Devils earlier this season, Madison High School. Venice won, 58-47. Red Devils pictured are Mike Henry (21), jumping for the ball against Madison's Darryl Franklin and Jeff Corrie (25). Trojans include Rudolph Bradley (20) and Ron Jones (12).

8 funny cars in Sunday lineup

Eight supercharged funny cars will highlight drag racing activities Sunday at St. Louis International Raceway south of Madison.

The funny cars had been scheduled to appear last Sunday, but cold weather forced them to postpone running until this weekend. A regular racing program, however, was held despite the cold.

Among cars scheduled to appear is the popular St. Louis-

based Burton & Guthrie Mustang with Jim Guthrie at the wheel. The Red Baron funny car also is scheduled.

Also racing will be cars in the new Top Eliminator category, which matches all cars qualifying at 12.99 seconds or faster. The field will include dragsters, pro-stocks, super stocks, street eliminators and other types of "hot" cars.

Competition also will be conducted in stock and street eliminator categories and in all

American Hot Rod Association trophy classes.

Early this week, about 200 racing cars participated in the program. With warmer weather anticipated this weekend, the field is expected to be even larger.

Gates will open at 8 a.m. Sunday, with eliminations at 2 p.m.

McFarland tops Essington's SIUE career mark in finale

A first-half shooting rampage by the University of Missouri-St. Louis basketball team gave it enough of an advantage to let the Rivermen post an impressive 112-98 victory over the Southern Illinois University at Edwardsville Cougars Monday night.

It was the season finale for both squads and resulted in a 16-8 season for UMSL and an 18-8 campaign for SIUE.

In the first half, Coach Chuck Smith's UMSL sharpshooters made 22 baskets in 31 attempts while Coach Jim Dudley's Cougars were an ice-cold 14 for 39.

The game had been publicized as a shootout between UMSL's sophomore marksman, Collinsville's Bobby Bone, and SIUE's senior dead-eye, Keith McFarland, a former Triad High star. But the script of the game had a different ending.

Bone hit for 10 of his game total of 33 points in the first half and McFarland was held to a single field goal, meshing one of 11 attempts.

In the second half, Bone and McFarland did not put on a shooting duel which will long be remembered by the fans able to find their way to the Washington University field house.

Starting with Bone's five-out-of-five to begin the second half, it was a terrific exhibition of shooting. McFarland twisted, turned, drove and scrambled in what proved to be a forlorn attempt to rally the Cougars.

Marvelous Mac ended the final 20 minutes of his regular college career by pouring in 40 points, which, in his first half two gave him game scoring honors of 62.

McFarland's fourth basket gave the former Triad prep star the SIUE career high scoring mark of 1,086. The old mark of 1,084 had been held by Rich Essington, present coach of the highly-ranked Venice High School Red Devils.

The Washington U. Field House was a less than ideal spot for the key collegiate game. One of the bulbs to the right of the north basket was burned out

and the gym, which always looks dark, was a gloomy place to play basketball. It was used for gymnastics in the 1960 St. Louis Fair and that year's Olympic Games.

The lack of light in that area of the court never seemed to bother either team. It was the Rivermen's target the first half, when they couldn't miss, and in the final 20 minutes the Cougars twice pulled within 12 points of the red-hot UMSL marksmen.

It was the final college game for team captain Don Koppenhaver, Thurman Perree and McFarland. All three played key roles in Dudley's largely successful effort to build Cougar basketball to major stature. Tom Butler, who is listed as a senior, may have one more year of eligibility left.

For the future of SIUE basketball, the performances of freshmen Don Smith, Vince Barnett, Bill Pickler and Dave Starkey were encouraging to Dudley. "Donahue," before breaking his nose, was the key to the Cougars' impressive 17-3 season to that point.

Dudley has moved to improve the caliber of teams to be met next year. Illinois State University, Murray (Ky.) State University, the University of Missouri-Rolla tournament and a berth in the Wright (Ohio) State tournament—in which Youngstown U. and Akron U. will also play—have been added to the Cougar schedule.

North eliminates Edwardsville, meets Collinsville tomorrow for regional title

HEADED FOR TITLE GAME against Collinsville tomorrow, GCHS North has defeated both O'Fallon and Edwardsville this week. In the win over O'Fallon, Rick Spurlock gathers in a rebound for the Steelers. Teammates visible are Greg Gauen (31) and Mike Waldo (41).

Top-seeded Collinsville and third-seeded Granite City High School North will clash at 7:30 p.m. tomorrow in Fletcher Gymnasium at Collinsville to decide the champion of the Illinois High School Association 1975 Class AA basketball regional.

North last night advanced to tomorrow's title contest by edging the Edwardsville Tigers at the free throw line for a 77-74 victory.

Steelers Larry Jones made good seven of seven, first-quarter field goal attempts, giving North a 24-14 edge.

North led 42-27 at halftime and 57-51 at the end of three quarters. But the Steelers were outscored by the rallying Tigers 23-20 in the final period. Dick Brown, who scored only seven points in the first half, put 21 points on the board for the Tigers in the second half.

At one point in the last quarter, Brown's efforts deadlocked the contest at 61-61. Edwardsville hit 34 of 54 field

shots and made six of eight charity tosses.

Equally torrid North made good 33 of 54 field goal attempts and put 11 of 22 foul shots through the hoop.

The Tigers committed the most fouls, 21-14, but were outplayed by North on the boards, 38-20. North recovered

20 offensive rebounds, with Mike Waldo heading the effort by pulling down 13.

North was guilty of the most turnovers, 13-10.

All five North starters combined their pointmaking for the final score. Jones had 28, Darrell Page 20, Greg Gauen 13, Waldo 12 and Gene Logas, four.

North tomorrow will meet a strong Kahok team which is seeking its fourth consecutive regional title and which has won

10 straight games. Collinsville (20-5) is led in scoring by Gary Shasteen, who in the Kahok 75-60 regional win over Highland Tuesday scored 29 points.

The Steelers' record is 18-8. Gilbert Walmsley, GCHS North principal, announces that the school still has 1,000 tickets available for Friday at a cost of \$2 per person available at the school's main office.

Tickets are on sale until four o'clock today and can be purchased

chased again tomorrow from 7:30 a.m. to 1 p.m. at the North office for the regional championship game.

The Collinsville regional victor will advance to a sectional meet March 11-12-14 at East St. Louis to play the Hillsboro regional winner. Competing there also will be winners from East St. Louis and Belleville East regionals.

The East St. Louis area sectional champion advances to

super-sectional action March 18 at Carbondale. Central High School to meet the West Frankfort sectional champion and decide a state tournament entry.

In the eight-team state meet, March 23-24 at the University of Illinois, Champaign, super-sectional champions from Northwestern, DeKalb, Peoria, Carbondale, Normal, East Aurora, Joliet and the Chicago Public League will vie for Class AA state honors.

Mini-squirts 2nd in tourney

The Mini-Squirt division of the Granite City Amateur Ice Hockey Club this weekend captured second place in the Pekin Invitational hockey tournament, won by the St. Louis Rainbow Rockets.

The Granite City team defeated the host team and Peoria before losing to the Rockets in the title contest.

Those who competed in the tournament for 6-9-year-olds were Chris Carden, Scott Combs, Tim Combs, Ricky Dodd, Paul Harris, Roger Lewis, Dan Parney, Ray Romine, Fletcher Sarver, Tom Schnefke and Steve Stegelmeyer.

WARRIOR BASKETBALL FINALE for 1974-75 saw the South High School quintet lose to the Highland Bulldogs 56-52. No. 35 is Bob Hutchings and shooting is No. 53, Ken Bertrand. Bulldogs are Al Iberg (32) and Mike Holzinger (24).

South leads at half before losing out in regional game

GCHS South bowed out of Class AA regional basketball competition at Collinsville Monday night, losing a closely-contested game 56-52 to Highland.

The South Warriors began their scoring drive early in the game, shooting 47 per cent in the first quarter to lead 18-15.

But in the second period they connected on only six of 21 shots from the field for a 28 per cent average and allowed Highland to tie the game at 29-29 on a shot by Rod Zornist with 12 seconds remaining.

Zornist, who had a game high of 20 points, recovered a missed

Warrior field goal attempt to get the basket.

Warrior Tom Schooley then restored South's lead with a nine-foot baseline jump shot with six seconds left in the half, making it 31-29.

Highland moved ahead, 45-40, at the end of the third period when South's shooting turned sour. The Warriors hit 18 per cent in the third quarter, making four of 22 shots from the field.

South outscored its foe 12-11 in the final period but fell short. The Warriors held an edge from the field, aided by a 43-28

rebound advantage, but hit only 25 of 73 attempts. Highland scored on 22 of 57 shots.

Highland took advantage of 17 Warrior fouls to connect on 12 of 15 charity tosses. South was two-of-six at the foul line. Highland committed only eight fouls but was guilty of the most turnovers, 18-18.

South players Jim Nolan and Ken Bertrand each played the boards well.

Scoring for South, which ended its 1974-75 season with a 2-2 record, were: Nolan 19, Rick Pancher 14, Bertrand 13, Bob Hutchings four and Tom Schooley, two.

Venice wins, pays unbeaten Nokomis for sectional title

The Venice Red Devils, with second-year coach David Engsting at the helm, are rolling toward yet another possible basketball tournament sectional entry for March 11 at Charleston.

The victor at Charleston will become one of the "elite eight" state entries.

Venice, now 27-2 after downing the host school 79-67 last night, will clash tomorrow with the undefeated (27-0) Nokomis Red Skins to decide a sectional entry for March 11 at Charleston.

The victor at Charleston will become one of the "elite eight" state entries.

Nokomis, a member of the South Central Conference, captured its conference title with a 12-0 record, won the Vandala holiday tournament, won the Litchfield invitational and won its own regional.

The Red Skins downed Lebanon 59-48 Tuesday at Vandala to advance to the title contest tomorrow.

The Red Skins are led by Mike Alexander, a 6-2 junior, who during the 1974-75 season has made 136 of 291 field goal attempts and 65 of 87 charity tosses, and has pulled down 192 rebounds.

In eliminating Vandala, which now has a 13-15 season record, Venice took advantage of the Vandals' Rich Rames' foul trouble to hold the high scorer to 23 points in the game. Rames committed four fouls in the first half of play and fouled out in the final period.

Venice experienced defensive lapses but performed well on offense, aided by the inside shooting of Mike Henry and the outside shooting of Reggie Gardner.

Henry from the field hit nine of 17 shots against Vandala. Gardner shot 80 per cent from the field, making 12 of 15 baskets.

Venice led 22-18, 44-36 and 61-47 at the quarters, but was outscored 27-18 in the final period when Vandala hit on 11 of 14 field shots and made it too close for comfort.

The Red Devils shot 57 per cent from the field, 33 of 57, and Vandala 50 per cent, 31 of 62 shots.

At the free throw line, Venice hit 13 of 28 and the Vandals, 12 of 16.

Venice committed the fewest fouls, 18-22, and the least turnovers, 14-18.

Henry pulled down half of Venice's 29 rebounds. Vandala recovered 24.

Gardner led with 26 points, Henry had 23, Jeff Corrie 11, James Crowder 10, James Turner seven, and Mike Logan, two.

Tickets for Venice's game at Vandala Friday are on sale at Supt. Robert Vickers' office today until 4 p.m. and tomorrow from 7:30 a.m. to 2:30 p.m.

Those who fail to buy tickets here may risk being turned away at the door, since a sellout is expected, Supt. Vickers said.

More flexible South schedules in future

Scheduling flexibility is being cited as a major gain from GCHS South's withdrawal from the Southwestern Conference, announced Wednesday afternoon and effective June 30.

Supt. B. J. Davis cited the creation of two high schools in the Granite City district, creating a need for rebuilding in some sports with a "less rigorous and difficult" schedule than the present schedule.

In addition, a tougher schedule may be arranged in sports in which the Warriors have a winning tradition, such as wrestling and soccer.

Director of Athletics Joseph Fedora said yesterday the decision to leave the conference after more than 30 years was made only after long study and discussion.

During the 1973-74 school year, the school's football program finished third in the conference standings; cross country, sixth; basketball, eighth; wrestling, first; and baseball and tennis fourth. Soccer was not a conference sport then.

The 1974-75 school year saw the football program finish eighth; cross-country, fifth; soccer, first; basketball, eighth; and wrestling, a first-place tie.

"In one sport," noted Fedora, "GCHS South in the past two years won five games and lost 78 at all scholastic levels — sophomore, junior or varsity and varsity."

"We have done quite well in certain sports," he added, "but in conference competition a school cannot be good in one or two sports and poor in others and still maintain a fine tradition of having a fine competitive athletic team."

Citing downturn in enrollment at both South and North, school officials said that if the trend continues, GCHS North may drop from a Class 4A school to a Class 3A school in size. South is so.

Supt. Davis remarked that the decision to withdraw from the conference was made not to affiliate with any other league, and possibly will open the way for scheduling of tougher opponents for the school's soccer, wrestling and certain other sports.

South's cage coach, Bryan Wilkinson, said, "I don't have any comments, to make, but I'm sure there is a reason for the decision."

The decision approved by the Granite City School Board South wishes to extend its appreciation to all member schools of this conference for these many past years, and also further expresses its thoughts relative to continued success to the conference and its member schools in future years.

South's withdrawal may prompt Edwardsville to re-evaluate its position within the conference, some believe. That school has been considering possible withdrawal for the past three years.

Supt. Davis, in closing, said, "Granite City High School South wishes to extend its appreciation to all member schools of this conference for these many past years, and also further expresses its thoughts relative to continued success to the conference and its member schools in future years."

The P and S Amusement team of the Granite City Amateur Ice Hockey Club remains the only undefeated team in its division in the St. Louis area, with a 20-0 record, after downing Missouri Delta 4-2 Tuesday in the opening round of the St. Louis Area

Local ice hockey team still unbeaten in bantam tourney

Championship Tournament at Creve Coeur.

A member of the Bantam Division, ages 13-14, P&S will meet Kirkwood on the ice at St. Charles, Mo., at 4:30 p.m. Saturday in a semifinal contest.

The victor advances to a championship game at St. Charles this Sunday.

Against Delta, it was a scoreless contest at the end of the first period.

Danny Pechte gave P&S a go-ahead goal in the second period, but the local squad trailed 2-1 going into the final period after Delta scored two goals in succession.

Todd McFarland put the puck into the net early in the last period to tie the contest at 2-2 and John Kretovich later added the winning and insuring goals.

TERRY TOTH

Terry Toth is promoted

Terry Toth, Granite City, has been promoted to the rank of Specialist Five and currently is an operating room technician assigned to Walter Reed Army Medical Center, Washington, D.C. Toth has been in the Army 21 months.

A graduate of Granite City High School, he attended Southern Illinois University for a year prior to entering military service.

Toth was active in scouting in this area where he served as chief of the Cahokia Lodge, Order of the Arrow, and is a past president of Explorer Post 104.

Still active in scouting, SP5 Toth is Scoutmaster of Troop 750 in Washington, D.C.

He took eight weeks basic training at Fort Leonard Wood, Mo., eight weeks medical corpsman training and 18 weeks of operating room technicians' training at Fort Sam Houston, Tex. Toth also was assigned to Fitzsimmons Medical Center in Denver, Colo., for another six weeks of advanced medical training.

Public meet Monday on overpass plan

Public discussion of possible location alternatives for construction of an overpass between downtown Granite City and West Granite City is scheduled Monday at 8 p.m. in the Prather Junior High School cafeteria.

The public informational meeting has been called by M. W. Engineers and Architects, St. Louis planning engineers retained by the city to make a location study for a proposed overpass that would span the railroad tracks that hamper traffic flows between the sections of the city.

The choice of the grade separation site is expected to lie between Niedringhaus Avenue or 19th, 20th or 22nd streets.

The site study and design planning is expected to cost approximately \$200,000, part of which will be financed with funds the city expects to receive under the Community development Act.

Eagles to host drives

Boy Scout Troop 15, sponsored by the Fraternal Order of Eagles Aerie 1128, Granite City, will assist the Eagles Aerie and the ladies auxiliary in soliciting donations for the Jimmy Durante Crippled Children and the Mar. Bae. Headed by Mrs. Friday and Saturday, George Mathenia, co-chairman of the event, announced today.

Paul J. Schuler proclaimed these two days for the Eagles drive and has requested all residents to participate in the campaign. "The Eagles Aerie has selected 'People Helping People' as the slogan for the two recipient organizations."

Those working in the fund-raising projects will be stationed at the First Granite City National Bank, Granite City Trust and Savings Bank, American National Bank, and also at the Belmore, American Village, Nameoki Village and Crossroads Shopping Centers, Kozak's Market, National Food Store and in the downtown shopping area.

The local Eagles group has contributed to many programs in the area, including a \$2,000 donation to the Special Education programs within the Granite City School district.

This money was spent for supplemental materials for the benefit and enrichment of individual students and classrooms. Vasil Efthimoff, director of Special Education, reported.

Area PTA Council to meet March 19

The Granite City Area Council of PTAs will meet at 7:30 p.m. Wednesday, March 19, at Parkview School instead of the previously announced date, Mrs. Dorothy Phelps, council president, said today.

The program, entitled "State PTA and Our Money," will be presented by a member of the District 29 board, she said.

Another talk will explore the question, "Why a Convention?"

The meeting night has been changed due to the original date (March 26) conflicting with Maundy Thursday, Mrs. Phelps reported.

Four area men indicted

Grand jury indictments against four Quad-City area men were released Monday in Edwardsville. The indictments were returned Thursday afternoon by a Madison County grand jury but were suppressed until Monday afternoon.

Robert Tidwell, 27, of 3205 Kilarney Drive, was indicted on a charge of armed robbery for allegedly stealing about \$430 from the Parkside Food Shop, 3202 Maryville Road, Feb. 19. A clerk said a man with a shotgun and a nylon stocking over his head demanded the money from the cash register and took two cartons of

cigarettes. Tidwell was arrested at his home shortly after the robbery. His bond has been set at \$25,000. The grand jury also returned a true bill on an armed robbery charge against Jerry Sidwell, 26, of the 1600 block of Olive Street, who is charged with stealing about \$280 from Thomas Eickmann, Edwardsville, at a home in the 2200 block of Delmar Avenue Feb. 16. Eickmann alleged that Sidwell attempted to sell him a radio and when Eickmann refused, Sidwell allegedly pushed him down, placed a gun to his head and stole the money.

His bond also was set at \$25,000. Indictments alleging felony counts of theft also were returned against Otis M. Johnson, 121 Gareche Homes, Madison, and John Lee Lucas, 1126 Douglas St., Venice. They allegedly stole a 1975 auto from Autos Terminal, Inc., on South Fourth Street in Venice Dec. 14. Johnson was released on \$10,000 recognizance bond and Lucas' bond was set at \$10,000. All four men are to be arraigned in Madison County Circuit Court Wednesday, March 12.

\$1.4 million levy adopted by levee board; down \$277,350

A 1975 tax levy of \$1,425,550, a decrease of \$277,350 below last year's levy of \$1,682,900, was adopted by the East Side Levee and Sanitary district board of trustees in a special meeting at East, St. Louis.

The new levy includes \$1,285,550 for the general fund, down \$177,350 from last year's general fund levy.

Approval of the new levy will clear the way for the district to issue tax anticipation warrants to finance operations until tax revenue becomes available in June or July.

The general fund levy includes \$635,250 for project costs

(\$707,925 last year); \$224,250 for administration (\$221,325 last year); \$50,900 for engineering (\$66,000); \$375,150 for maintenance (\$376,650), and nothing in the special construction fund (\$41,000 last year).

Other levy items included \$15,000 for liability insurance, unchanged from last year; \$100,000 for municipal retirement, down from \$150,000, and \$25,000 for auditing, unchanged.

Law center urged here

A resolution supporting establishment of a part-time legal education center, such as the one presently in the planning stages at Southern Illinois University at Edwardsville, was adopted last night by the board of directors of the Tri-Cities Chamber of Commerce. The March dinner was held at Tempel's.

In endorsing development of the law school program, the Chamber cited three basic points:

• Opportunities for legal education are being denied to residents of Illinois' second major population center, creating inequities in comparison to Chicago and to other portions of metropolitan St. Louis.

• Economic and social development in this region could be hindered in the future.

And present and future generations in urban-industrial communities "have a right to such access through part-time and evening programs."

Car overturns

Larry Mariette, 22, of 1359 Edwardsville Road, is injured when his auto failed to negotiate a curve in the 4800 block of Lake Drive and overturned on the side of the roadway at 8:15 p.m. Tuesday.

He was taken by ambulance to St. Elizabeth Hospital where he was admitted with multiple cuts to his left hand, his left eye and the left side of his nose and abrasions to his right elbow.

Signal plan deferred

Installation of a electric traffic control signal and a cross-walk at 50th and Iowa Streets — to be financed by Granite City Steel — was proposed in an ordinance presented to the Granite City Council Monday night.

Action on the bill was deferred, however, to give the aldermen more time to study the plan.

The measure was placed before the council by Alderman Roy Poulos as chairman of the Ordinance Committee. Poulos moved to suspend the rules to place the bill on final passage, but no vote was taken after a motion for deferral was made by Alderman Walter Nann.

The ordinance provides that the traffic control signal would be a pedestrian-actuated signal installed under supervision of the city street superintendent.

The ordinance states that all costs of the signal and its installation, as well as the crosswalk, would be born by Granite City Steel.

The council Monday night adopted on final passage an ordinance vacating W. 23rd Street between Nevada Avenue and the boundary of the Granite City Park District, although the Park District, in a letter signed by Board President Henry Gabriel, asked that the road access be left open as an entrance to West Granite Park.

The ordinance was sponsored by Alderman Walter Nann who said that two property owners in the vacated area want to build fences, cutting off their properties from access to the park area because it had become a "lovers' lane." Nann said the action would not affect access to the park over 24th Street.

The ordinance retains right-of-way for utilities and road maintenance for the city.

A contract was awarded to G. D. Peters Construction Co. on a low bid of \$7,344 for construction of a storm sewer extension on Lindell Boulevard between Franklin and Johnson roads.

Other bidders were Kamaduski Excavating and Grading Co., \$11,981, and G. H. Sternberg Co., \$9,122.

A series of engineering studies for installation of curb and guttering in their respective wards were requested by several aldermen, although it was pointed out that funds for such projects are not now available.

Alderman Ronald Coleman of the Seventh Ward asked for engineering surveys of 16 blocks of streets in his ward. His motion was followed by an amendment by Alderman Steve Besarich to include surveys of 12 blocks of streets in the Fifth Ward.

These actions brought the suggestion from Finance Committee Chairman Gerald Parmenter that if the city wants to improve streets on such a large scale, it should combine all projects and conduct a referendum on a general obligation bond issue to finance the work. Parmenter added, however, that he was certain the people never would approve such a bond issue.

The council placed on file a letter from William Sedat, declining his appointment as a member of the Fire Department. Sedat told the council that he has too much seniority on his present job to give it up now.

The aldermen concurred in a recommendation by the Board of Police and Fire Commissioners to appoint Douglas W. Law, 3708 Fair Oaks Drive, as a probationary patrolman on the Police Department.

Seminar session to end Friday

A discussion concerning minority students in science will feature the final session of the University Seminar at Edwardsville (USE) in Lovejoy Library auditorium at 8 p.m. Friday.

Principal speakers will be Arthur C. Zahalsky, professor in the department of biological sciences of the Southern Illinois University at Edwardsville School of Science and Technology, and Rodney Bowie of Alton and Lionel A. Starke of Scott Air Force Base, USE presidential scholars representing the School of Science and Technology. Their topic will be, "Minority Students in Science: Which Way To Go in Establishing Identity."

USE sessions are open to the public and admission is free. Theme of the seminar, with nine sessions scheduled from October through March, is, "Ethnic Identity and Cultural Integrity." Presentations on the subject are made by members of the faculty and presidential scholars representing each school of the University.

Arrest Castile

Billy Joe Castile, 32, of 2127 Lincoln Ave., was arrested at his home at 1:15 p.m. Wednesday on a warrant charging him with a felony count of theft. He allegedly stole a canoe from the rear yard at the home of Harold Williams, 2400 Edwards St., Dec. 7, 1974.

World prayer day service on Friday

Eugene Smallman, a social studies teacher at Granite City High School South and a photographic hobbyist, will provide a slide presentation, entitled "Water for Women," which depicts the current plight of water-starved countries, at the "World Day of Prayer" service at 9 a.m. Friday.

Annual program, sponsored locally by Church Women United of the Quad-Cities, is held simultaneously in many countries through the world.

All area women are invited to attend Friday's service at Nameki United Presbyterian Church.

Mollie VanBuskirk is engaged

The engagement and plans for a July wedding of Miss Mollie VanBuskirk and Patrick G. Higgins are being announced. She is a daughter of Mrs. Shirley VanBuskirk, 314 Wilson Park Lane, and the late Joe VanBuskirk.

Her fiancé is a son of Mrs. Marilyn Byrd, 2736 Michigan Ave., and Edmond E. Higgins of Madison. He was graduated in 1969 from Granite City High School and is employed at Granite City Steel.

Plans are being completed for their wedding on July 26 at the First Assembly of God Church. The Rev. C. Dale Edwards will officiate.

North Band concert Monday

In its third performance of the current season at 8 p.m. Monday, the Granite City High School North Band will play a varied program of music, ranging from traditional to contemporary.

Under the direction of Robert D. Todoroff, the 90-member band will present its concert in

the North High School cafeteria. Admission is by season ticket, or single performance tickets, available at the door, costing 75 cents for adults and 35 cents for students. The public is invited to attend.

Senior trumpeter Mark Cicio will be featured in "Solo-zalcoati," a trumpet solo number with band accompaniment, Todoroff said. Program notes for the concert will be narrated by Lisa Grothaus.

North Principal Gilbert W. Walsley will provide introductory remarks and concert patrons will be welcomed by John McKay, North Band president.

The program will include: "La Fiesta Mexicana," a Mexican folk song symphony by H. Owen Reed; "First Movement from 'Symphony for Band'" by

Billik; "Band of America," a march by Paul LaVelle; "Lola Flores - Passa Doble" by Tucci; "Where It's At," a hard-driving rock selection by Giovanni; Selections from "The Six Wives of Henry VIII" by Rick Wakeman; and "Quetzalcoatl."

Back row, Mesdames Ida Cassel, Jean Francis, Sue Bausch and Marie Gordon.

Heart Fund captains named

Mrs. Ellen Wilson, 1975 Illinois Heart Association solicitation chairman for the Granite City area, held a meeting in her home, 3245 Kilarney Drive, during the weekend, as an informational seminar for the captains and organizations who will assist in this year's fund drive.

Those appointed as captains include Mesdames Shirley Farney, Jane Gibson, Sue Bausch, Barbara Kennerly, Ida Cassel, Marie Gordon, Florence Toth, Jean Francis and Pat Polley.

Organizations who have volunteered to serve in the campaign are Roca Young Men's Club, Xi Epsilon Chi Chapter, Beta Sigma Phi and Granite City Explorer Post 123; Madison Explorer Post 10-4 and Pontoon Beach Explorer Post 255.

The Heart Fund drive is a

month late this year due to the illness of state personnel in the Heart Association. Granite City's campaign will start March 15 and continue to March 23, with March 16 set aside as Heart Sunday, Mrs. Wilson announced.

The local chairman said each volunteer will wear an official tag bearing his name and the Heart Association official trademark when they make individual house to house canvassing.

Mrs. Wilson reported the American Heart Association (AHA) has many programs supporting public awareness on heart disease through the Basic Life Support which participates in research, professional education, public education and the Heart Fund, which has more than 2 million volunteers each year to provide a successful campaign.

North High completes evaluation; visit by education team in April

North High School has completed the self-evaluation portion of its first North Central Association evaluation program.

Principal Gilbert Walmsey explained this week that "North High School has been evaluating itself since its opening in September 1973."

"The NCA requires each member school to undertake a comprehensive evaluation once during each seven-year cycle as a major impetus for school improvement."

Walmsey described phases of the evaluation as follows:

"First, we analyzed the school's community and determined precisely what are the school's governing goals and purposes."

"Then we studied our program and procedures to see how successfully we are meeting those goals."

"During the evaluation, every aspect of the school has been reviewed — student activities, personnel services, health services, instructional materials, staff, physical facilities, financial support and control."

"The evaluation will now result in suggestions for those modifications and changes that will help the school do an even better job of educating our students."

Principal Walmsey estimates that the total self-evaluation has taken from 11 to

12 months.

Faculty reports from various subcommittees have summarized strengths and weaknesses of each segment of the school.

Each of these reports will be discussed by the total faculty. The final self-appraisal will be of the school as a whole.

To impart additional objectivity to the process, the school will be visited by a team of educators from outside the Granite City School district in April.

These educators — who volunteer their time and ser-

vice — are teachers and administrators from other NCA schools, university personnel, and Illinois Office of Education representatives.

Walmsey adds, "During their visit, the team members will confer with students, teachers and parents; will observe the teaching-learning process; and will study the materials the school has prepared in its self-study."

"The team's report will offer its conclusions regarding the strengths and limitations of the school as a whole and its components."

"Next will begin the most important phase of the entire process."

"This is the time when the staff reviews and analyzes the recommendations contained in both the self-study and the team's report; agrees on the areas of the program needing strengthening, and devises a schedule of planned steps that will implement the needed improvement."

He summarized, "The evaluation process involves a great deal of work by many people, but the rewards are equally great."

February building \$147,130

Seven building permits listing values of \$12,550 were issued by Granite City during the last week of February, bringing the total for the month to 29 building permits with values of \$147,130.

A \$300,000 permit also was granted in February to Archer Daniels Midland Co. to raze the former Union Starch plant.

Permits issued in February, by category, with the number of each type and the total values, were: new homes, one \$20,000; additions, two \$8,000; garages and carports, one \$4,000; 17 to remodel and repair, \$29,950; commercial and industrial, three, \$77,600; mobile homes,

one, \$2,000; miscellaneous, four, \$5,600, and razing, one, \$800,000.

Charge forgery

Alice Hamilton James, 20, of Virginia, formerly of Granite City, was arrested Monday in the 2100 block of Missouri Avenue on a warrant charging forgery.

An employee of Park 'N Eat, Madison and Niedringhaus avenues for three days last year, she allegedly stole a blank check from the restaurant Oct. 4, 1974, and cashed it the same day at Cohen's Foods, 2301 Illinois Ave.

VAN, TOOLS STOLEN

The van of Ben Deisenti, Florissant, Mo., which contained refrigeration tools and carpenter tools worth about \$500, was stolen from the 1800 block of Adams Street, it was reported at 3:10 p.m. Monday. The vehicle is a 1971 white Ford van.

Heads veterinary academy

Leland H. Holt, DVM, of Granite City, has been installed as president of the Illinois Academy of Veterinary Medicine. Dr. Holt's installation to head the academy during the 1975 year was held during a meeting of the statewide group at Arlington Park.

Dr. Holt, operator and founder of the Bellemore Animal Hospital, graduated at the University of Missouri as a doctor of veterinary medicine in 1955, served as county veterinarian of Clinton County in 1955-56, and in 1956 established Bellemore Animal Hospital in Granite City.

He is a member, former secretary and past president of the Southern Illinois Veterinary Medical Association, a four-year board member of the Greater St. Louis Veterinary Medical Association, a member of the Illinois State Veterinary Medical Association, Missouri Veterinary Medical Association and the American Animal Hospital Association.

He is a lifetime member of the University of Missouri Alumni Association of which he is a former vice-president, a member of the Deans Club of the University of Illinois College of Veterinary Medicine and a member of the Advisory Committee of the Parkland

LELAND H. HOLT

College Animal Technician program.

Dr. Holt is a member of the Tri-Cities Area Chamber of Commerce and the Nameoki United Methodist Church where he serves on the board. He and his wife, Frances, have five children.

He was appointed to the academy in 1969 and served on the executive board from 1971 through 1974. He also served as academy president-elect during 1974.

Mrs. Daisy Kello succumbs

Mrs. Daisy Fern Kello, 1513 Joy Ave., died at 1:30 a.m. Tuesday at the Good Samaritan Hospital, Mount Vernon, Ill., where she had been hospitalized since December.

She was born in Mount Vernon and resided in Granite City for about five years.

Mrs. Kello owned and operated a beauty shop in St.

Louis prior to her illness. She is survived by her husband, Paul Kello; one sister, Mrs. Mildred Van Dyke of Mount Vernon, two nieces and three nephews.

Funeral services were held at 1:30 p.m. today at a Mount Vernon funeral home. Burial was to be in Oakwood Cemetery, Mount Vernon.

Wharf, dam bridge development in news

(Illinois Metro East Industrial Development Corporation) The Bi-State Development Agency has agreed in principle to transfer its wharf and terminal at Granite City to the Tri-City Regional Port District. The Port District will pay Bi-State a total of \$730,000 over a 10-year period for the transfer. Final agreement is contingent on Bi-State approval of a memorandum of understanding with the East-West Gateway Council regarding implementation of area port improvement plans.

A proposed hearing regarding the Alton Lock and Dam replacement project has been postponed by a federal judge. The postponement was granted to give time for Congress to consider the project and to give Corps of Engineers officials an opportunity to complete a supplement to the environmental statement.

Central Hardware Co. has opened its Granite City facility—the largest of 11 stores in the St. Louis region. The new store contains over 60,000 square feet of space and employs 125 persons. It is located near the intersection of Pontoon and Nameoki Roads.

The City of Madison has received a proposal calling for a \$22 million commercial development at the city-owned Chain of Rocks Bridge. Hamburg Construction Co. of St. Louis, the proposed project developer, suggests the construction of a restaurant, motel, commercial shops and a marina on and near the 80-foot-high bridge. City Council discussion of the proposal is expected next week.

The Civic Memorial Airport Authority at Bethalto has received and accepted a grant offer of \$802,500 from the Economic Development Administration. The funds will be used to further the development of airport properties and to build a 100-acre industrial-business park. The grant will be matched by airport funds.

Charter lounge

The state of Illinois has issued a domestic corporation charter to Ilene's Lounge, Inc., 78 Holiday Mobile Home Park, Michael J. Howlett, secretary of state, has announced. Ilene and Eugene Buechler were listed as charterers. The charter lists 100 shares of stock with \$100 par value each. The intent is "to operate a restaurant and lounge," according to the charter. Huber Company Accountants, 1058 State St., East St. Louis, is listed as correspondent.

THEFT FROM AUTO Items worth about \$332 were stolen from the auto of Keith Brooks, 1711 Walnut St., parked in front of his home, it was reported Monday. The driver's side window was broken to gain entry. Taken were a brief case, a calculator, a book, a tape player and two speakers and five tape recordings.

Democrats propose curbs on gasoline

Senate and House Democrats during the past week have made public a Congressional program of action on energy and the economy.

The program is designed to "provide an alternative to the President's energy tax proposals, which it is contended would cost energy users \$30 billion in additional taxes and force higher prices on almost all fuels.

The Democrats say their proposal is designed to be a comprehensive energy conservation and development program to reduce energy imports to half the present level by 1985.

Major conservation measures suggested include:

1. A combination of graduated excise taxes and rebates on new cars based on fuel efficiency of the model purchased.

2. Mandatory mileage performance standards.

3. Authority for Sunday closings and gasoline allocation to serve stations, and controls on the use of gasoline credit cards.

4. Imposition of import quotas.

5. A major federal loan guarantee, grant and/or tax credits program for residential and commercial consumers, to install insulation, storm windows, solar heating and cooling systems, and other energy-saving modifications.

6. Incentives to expedite conversion of electric generating and industrial plants from petroleum and natural gas to coal.

7. More effective enforcement of the 35 miles-per-hour speed limit law.

Other fuel saving proposals recommended include the creation of a strategic oil reserve and a national energy production board, with authority to recommend import quotas, allocations and gasoline rationing in event of emergency.

In addition to these recommendations for energy conservation, the joint Senate-House Democratic proposal also suggests methods to expand domestic energy production, such as creation of an energy trust fund, financed by a five-cents-per-gallon retail tax on gasoline and taxes on excess profits.

GRANITE CITY PRESS-RECORD
Thurs., March 6, 1975 Page 17

The fund would be used to finance more rapid development of coal gasification and liquefaction, and to achieve scientific and technological progress in oil shale, geothermal, solar, nuclear fusion and other sources of energy.

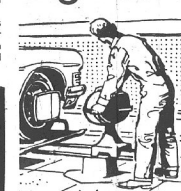

For the past eight years preceding the Arab oil embargo, U. S. energy consumption increased an average of 4.5 per cent per year, and an average of 2.7 per cent per year since Democratic leaders say. At the same time, domestic production of oil and gas has declined, further increasing U. S. dependence on oil imports.

Other programs proposed by the Democrats are designed to stimulate U. S. oil and gas production.

They include "exploration of the Outer Continental Shelf, consistent with the public interest and in cooperation with states"; elimination of the depletion allowance on all oil and gas leases; and an excess profits tax on all big oil companies, "avoidable only by plowing profits back into domestic exploration."

Venice pushes FA 151 project

The Venice City Council voted Tuesday night to send letters to Governor Daniel Walker and members of the Illinois state legislature from this area to request that the completion of Federal Aid Route 151 be included in the governor's accelerated construction program.

The project when finished will connect the Venice underpass with approaches to I-55. Route 151 (The Great River Road) which is to be extended from Niedringhaus Avenue in Granite City to Venice.

Work on the relocation of Broadway in Venice has been stopped for several months due to a high water table.

Meetings are being held between the Illinois State Department of Transportation, the City of Venice and contractors to find a solution to the water problem. Estimates on dewatering the area have ranged as high as \$300,000.

In a report by the Venice Community Development committee, it was suggested that the city check into the possibility of raising the old Air Reduction Co. factory in the 1300 block of Refound Street. The committee said it feels that it is an eyesore and dangerous.

Terry Nicholls rites today

Military funeral services were conducted this morning for Seaman Recruit Terry Lynn Nicholls, 17, who died Feb. 28 at the Navy Base Hospital, Norfolk, Va., from stab wounds inflicted by an assailant in a robbery.

At the graveside at Sunset Hill Cemetery, a U.S. Air Force bugler from Scott Air Force Base, Belleville, played "Taps" as the military escort stood at attention beside the flag-draped coffin.

A son of Mr. and Mrs. Harold (Mildred) Nicholls, 4904 Carl St., Mitchell, the young sailor was assigned to the USS Leachy at Norfolk only two weeks earlier. He enlisted in the Navy last Oct. 25 and graduated at Great Lakes Naval Training Base, Ill., in January.

Full details of the tragedy have not yet been reported. His parents, they have learned, however, their son was walking into town with a buddy about 6:30 p.m., when the two were assaulted and robbed by more than one assailant. His companion was "slightly hurt" in the incident, the Nicholls' were told.

Besides his parents, Seaman Nicholls is survived by two brothers, Michael and Kevin Nicholls of Granite City; four sisters, Mrs. Robert (Nelda) Allen of Hillboro, Mo., Mrs. Diane Ross and Mrs. Curtis (Beverly) Holmes, both of Granite City, and Mrs. Wayne (Debra) Gray of Denver, Colo., and his grandparents, Mr. and Mrs. Alex Cline and Mrs. Flora Nicholls, all of Granite City.

4 youths face cannabis charge

Four Edwardsville youths were charged with unlawful possession of cannabis after police stopped their auto at 3:35 p.m. Wednesday at 19th and Benton streets and alleged finding 110 grams of marijuana, a pipe, a bowl for a pipe and an oxygen mask in the auto.

The driver, Glen Neal, 17, also was charged with failure to have an adequate muffler on his auto. Others arrested were David Shimunek, 17, James Saffel, 19, and Dennis Seals, 18.

\$430 CASH MISSING
The wallet of Julius Zevgin, 2081 Ralph St., containing \$430 cash and personal papers, disappeared after he paid for dinner at a restaurant near the American Village Shopping Center, it was reported at 2:45 p.m. Tuesday.

Arrow pancakes this Sunday

The Order of the Arrow, a national Boy Scout honor camping society, will hold its annual pancake breakfast Sunday at St. Elizabeth School Cafeteria, 2300 Pontoon Road, serving from 7 a.m. until 1 p.m. Tickets are \$2 for adults and 75 cents for children under 12. Proceeds will be used to improve Camp Sunken, located near Potosi, Mo., and operated by the Cahokia Mound Boy Scout Council.

Chris Spahr is chairman of the event. Kevin Kearns is the lodge chief.

Relatives to be election judges

Five poll judges for the April 15 village election—all related to present Pontoon Beach officials or candidates—have been approved by the village board.

The five are Shirley Gaudette, Edna Bennett, Bella Kreher, Robbie Wilson and Leona McCoy.

The trustees during the weekend voted to suspend rules and approve both first reading and final passage of a measure increasing the pay of Pontoon Beach officials.

President Floyd David Moss is opposed for re-election. Beginning with the new term, his pay is to rise from \$30 to \$40 per meeting and his expense allowance is to be increased

from \$70 to \$120 monthly. The pay of the village clerk, also to be elected April 15, is to rise from \$30 to \$40 a meeting, with her expense allowance climbing from \$20 to \$40 per month.

Newly-elected trustees are to be boosted from \$20 to \$30 a meeting, with expense raised from \$20 to \$30 monthly for each trustee.

Word of the ordinance indicates that the three holdover trustees also are to receive increases, but there is considerable doubt that this would be legal. The point was debated at the meeting without being resolved.

The board during its weekend session also suspended rule 6

enact an ordinance amending the Pontoon Baptist Church, 4008 Pontoon Road, into the village.

The trustees agreed to purchase three brushes, costing \$38, for a street sweeper being used jointly by the village and by Chouteau Township.

The Chouteau Township Highway Department repaired the village's old sweeper and it will be used for cleaning streets in both the township and the village.

The village street department also was granted permission to purchase materials for temporary barricades, where needed, and to buy amudge pots.

The board first met Thursday

night and then voted to continue the meeting later, since President Moss was experiencing laryngitis.

At the Wednesday meeting, the board voted to hire Kathleen Smith, 100 Briarhaven Drive, as a secretary for village officials.

Also approved was payment of \$10 dues for Moss to continue membership in the Southwestern Illinois Council of Mayors.

A clothing allowance of \$150 also was approved for Thomas Cell, who was hired on the police department under the Manpower program.

Mike Stalcio was hired as a police dispatcher under the manpower program, replacing another manpower worker who had been transferred to other

Women to lead family service

Women of Nameoki United Presbyterian Church will use audio-visual aids to highlight the meaning of Christ's death when they conduct a family service, beginning at 7 p.m. Sunday, at the church.

Miss Barbara Wheeler will offer the opening prayer and Mrs. Louise Anderson will introduce the theme. A vocal duet will be presented by Mrs. Beverly Scroggins and Mrs. Marion Pierson, accompanied by Mrs. Valerie Stevens. Closing meditations will be by Miss Mickey Lovejoy. Refreshments will be provided after the family worship service by women of the congregation, the Rev. Don Pierson, pastor, said.

Clifford suit dismissed

Madison County Circuit Court Judge Harold Clark has dismissed a suit filed by former Madison County Zoning Administrator Jack Clifford against the Madison County Board in which Clifford sought reinstatement to his position and damages from the board dismissing him.

He was dismissed July 8, 1974, from the \$15,000 per year appointment for alleged inequalities in administering zoning regulations. He then filed suit requesting reinstatement and seeking \$750,000 from each of the five members of the county's land use committee for allegedly damaging his reputation. Judge Clark also dismissed these proceedings. Judge Clark denied Clifford's

request for reinstatement and commented that Clifford "was appointed to his position without a definite term."

He continued, "...where no definite term is prescribed, the municipal officer holds his office at the will of the appointing authority, and unless the statutes provide otherwise, the power of removal may be exercised at any time."

Clark also denied Clifford's request for damages as a result of the firing and ordered the former official to pay the costs of the court action.

Bunko-Ettes honor Mrs. Julia Portell

Mrs. Julia Portell was honored on her birthday last week at a meeting of the Bunko-Ettes Club in the home of Mrs. Leona Delaloye, 2693 Washington Ave.

The guest of honor received a decorated cake and a gift.

Mrs. Delaloye served refreshments to the prize winners, Mesdames Helen Lipchik, Florida Batson, Rose Drube and Julia Portell, and Mesdames Ruth Partney, Helen Santagato, Angie Buelier, May Ebling and Dorothy Barnett.

Mrs. Santagato invited club members to her home for the next meeting.

MR. AND MRS. IVAN F. HARRISON, 2562 Cleveland Blvd., who will observe their 57th wedding anniversary on Sunday. They are the parents of three sons and have resided in the Quad-City area for many years.

Celebrating 57th year

Mr. and Mrs. Ivan F. Harrison, 2562 Cleveland Blvd., will observe their 57th wedding anniversary on Sunday. The couple has three sons, Russell Harrison of Indianapolis, Ind., Marion Harrison of Centralia and

Robert Harrison of Granite City. They also have nine grandchildren and one great-grandchild. Mr. Harrison was formerly an auditor for the state of Illinois. Presently, he is semi-retired.

Mrs. Leas feted on 80th birthday

Mrs. Matilda Leas, 2207 Kirkpatrick Homes, celebrated her 80th birthday at a dinner party arranged by her friends and given at the Heritage House Restaurant in St. Louis.

Those attending were Mr. and Mrs. Virgil Herndon of Edwardsville and Mr. and Mrs. William Davis and Mrs. Pauline Reading, all of Granite City. After dinner the group motored to the home of Mrs. and Mrs. Bernie Menneymeyer of East Alton, formerly of Granite City, for a surprise party.

Mrs. Leas received many gifts.

Junior gardeners see demonstration

How to create corsages using fresh flowers was demonstrated by Mrs. John Jenkins for members of the Fair Oaks Junior Garden Club at their meeting during the weekend in the home of Mrs. Wilmer Winter, 4616 Vine Blvd.

Mrs. Jenkins, a member of the Cloverview Garden Club, instructed the youthful gardeners in the various techniques employed in making corsages with different blooms.

New members, Leslie Voyles and Sharon Blankenship, were welcomed by the president, Peggy Smolich. She also introduced four guests, Beth Blankenship, Cindy Voyles, Mrs. George Smolich and Diane Winter.

Birthday party for Kendra Boyer

Mr. and Mrs. Philip Boyer, 2228 State St., entertained guests this week in honor of the first birthday of their daughter, Kendra Leigh.

A marshmallow cake made by the honoree's mother was served with other refreshments. Among those attending the party were Mr. and Mrs. Henry Bathon and Edward Boyer, grandparents, Mr. and Mrs. Edward Boyer, the paternal great-grandparents; Misses Debbie Bathon, Michele Boyer, Margaret Boyer and Julie Fernandez; Mrs. Mary Ann Fernandez and Manuel Fernandez.

JUNIOR CLASS MEETS AT GRACELAND BAPTIST

The Junior Christian Endeavor Class met at Graceland Baptist Church for a business and social meeting. Supervising the program were leaders, Roger and Carol Feltmeyer and Mike and Mary Dillard.

Young people attending were Nina and Jody Fallon, Susie and Rusty Edwards, Betty Lindsey, Becky Lovejoy, Tim Taton, Dave Thornton, Carla Young, April Phillips, Patty Townsend, Kevin Colus and Linda Mize.

STOLEN VEHICLE FOUND

The auto of Craig Atkinson, 2717 Cayuga St., stolen from Niedringhaus Avenue and Walnut Street before 10 a.m. Tuesday, was recovered at 11 a.m. by Granite City police. A revolver and box of ammunition which had been under the front seat were missing.

Donate \$1,100 to Mooseheart

Contributions totaling \$1,100, donated by area chapters of Women of the Moose to purchase equipment for the Mooseheart Hospital, were presented at a "Chapter Rally Day" held this week in East St. Louis.

Chapter 247 officials attending from Granite City included Senior Regent Ed Hamilton, Junior Regent Ruth Stover and Mesdames Mildred Walker, Sara Gusewelle, Frances Westbrook, Elizabeth Schrader, Edna Miller, Virginia Severs, Mildred Votoupal and Marian Lipcomb.

Other Women of the Moose chapters participating in the all-day rally came from Belleville, Collinsville, Mascoutah, East St. Louis, Cahokia, Centralia and Salem.

800 Girl Scouts to show skills

More than 800 Girl Scouts from the River Bluffs Council will fill the enclosed mall at St. Clair Square in Fairview Heights with songs, dances and displays on Girl Scout Sunday, March 9.

The girls represent troops from all five districts of the council, which encompasses an area from south of Belleville to one end to north of Alton at its other extreme and includes the Quad-City area.

Ranging in age from first grade Brownies to high school seniors, the scouts have planned a state and a mobile display of projects, according to Sue Townsend, council special events advisor.

Troops will exhibit a variety of skills from a Polynesian tenneking dance to polka and square dancing; skills, sewing and slides among many others.

Miss Townsend said.

Girls participating will represent troops from Granite City, Lebanon, Mascoutah, O'Fallon, Alton, Bethalto, Belleville, Fairview Heights, Sorento and Troy.

The program will be presented from 11 a.m. until 6 p.m. Sunday. Admission is free. St. Clair Square is located at the intersection of routes 50 and 159.

Zoning hearing set

The Madison County Zoning Board of Appeals will conduct an on-site public hearing at 10:40 a.m. Monday on Sand Prairie Lane one mile southeast of Route 111 where Ivan Relleke is requesting a special use permit to place a 12 by 65 mobile home. The property is in an agricultural district of Nameki Township.

Merchants at Madison to hear programs

A meeting of all Madison businessmen, clergy, school board members and school administrators has been called by Madison Mayor Mike Sasyk for 7 p.m. Friday at the fireman's hall, 1529 Third St., Madison.

Purpose of the meeting, according to Mayor Sasyk, is to explain two projects, "Update" and a citywide burglar and robbery alarm system.

A presentation will be made by Allen W. Johnson to demonstrate what can be done to improve business in a downtown area of older buildings at a minimum cost.

The burglar and robbery alarm system being proposed would be installed in every business, school and church with instant police notification. Cost to the merchants would vary from \$5 to \$10 per month.

Antique show at SUE center during weekend

The fifth benefit Antiques and Decorator Show and sale will be presented by Friends of Lovejoy Library at Southern Illinois University at Edwardsville Saturday and Sunday. The event will be held in the ballroom of the University Center.

Twenty-five dealers from Illinois and Missouri will display early pine, primitive, Victorian and country furniture; French, German English and oriental china; glass and clocks; early paper Americana; tinware, trunks, fine porcelains and quilts.

Mrs. Stephen Stinson, executive secretary of Friends of Lovejoy Library and manager of the show, said a fine selection of used books especially selected for the show will be available as well as steel engravings and etchings from the early 1800s on.

Proceeds from the show will be used to supplement collections in Lovejoy Library. Tickets are available from any member of the Friends of Lovejoy Library, or at the door. Tickets cost \$1.25 for adults, with children under 12 admitted free when accompanied by an adult.

Free parking will be available in lots behind all campus buildings from noon Saturday through Sunday. Hours of the show will be 11 a.m. to 9 p.m. Saturday, and noon to 6 p.m. Sunday.

Coin Show at Nameoki center

A coin show and flea market will be held at the Nameoki Recreation Center, Pontoon Road and Franklin Avenue Sunday 9 a.m. until 5 p.m. Admission is free. Thirty dealers from several states will present approximately 50 display tables. Featured this month will be a 10,000-button display and one with approximately 500 different beer cans.

Plan to Serve the Basic 4

Because this week is National Nutrition Week, we thought we should take a minute to remind you of the Basic 4 food groups and the United States Department of Agriculture recommended amounts to serve in your daily meal planning.

- Good nutrition is based on a balanced diet, which over an extended period of time helps an individual to maintain their proper body weight in good health.
- Meat Group (also includes fish, eggs, peas, beans and peanut butter.)
2 or more servings a day.
- Milk Group (also includes cheese, and ice cream)
2 or 3 servings - children
4 or more servings - teenagers
2 or more servings - adults
- Fruit & Vegetable Group
4 or more 1/2 cup servings
- Bread & Cereal Group -
4 or more servings a day

EXTENSIVE REMODELING of the Venice Tri-City Grocery Store, 420 Broadway, includes 24-lineal feet of upright frozen food cases. Carl Coleman, store manager, checks the frozen food section prior to opening for Wednesday's business.

PRODUCE CASES are among new equipment installed in the Tri-City Grocery Store in Venice during extensive remodeling of the store. Jack Kellens arranges fresh produce Wednesday in the new 36-lineal feet of fresh produce cases.

Tri-City Grocery Co. remodels Venice store

The Tri-City Grocery Co.'s Venice store, 420 Broadway, has undergone extensive interior remodeling with the addition of several new features and new equipment, according to Carl Coleman, store manager.

"Some of the new items in our

lighting and music, and speeded up checkout service with three

"I would like to extend a personal invitation to all area residents to come in and help us celebrate our remodeling. We are going to have a lot of fun and many surprises for our customers, as well as special buys during our remodeling sale today through Saturday," Coleman concluded.

Mrs. Wilson heads Heart Drive

Mrs. Ellen Wilson, 3245 Kilmore Drive, has been named general chairman for residential solicitation in the 1975 Heart Fund campaign in the Quad-City area. It was announced by State Senator Sam Vadalandene, (D-Edwardsville) Madison County Heart Fund chairman.

Mrs. Wilson will coordinate house-to-house canvassing of each area of Granite City and surrounding residential areas.

She said "A total of 227 persons died in Granite City in 1973 as a result of heart or blood vessel diseases, representing 62 per cent of those who died of all causes. Heart and blood vessel diseases are, by far, the leading cause of death in our city and throughout the nation and the Heart Fund finances research into each of these diseases.

Therefore, I urge area residents to give generously when called upon."

Mrs. Wilson is a member of Beta Sigma Phi women's civic sorority, and did volunteer work for the Heart Fund in 1972 as president of the Granite City County Nursing Home, meals on wheels for shut-ins, the local blood bank and has worked with her husband in the Explorer Scout program. She is a member of the Ladies Sodality of St. Margaret Mary's Catholic Church and teaches senior and sponsors a monthly youth Mass at the church.

Mrs. Wilson also is considered an authority on house and garden plants and gives demonstrations on these subjects.

She attended Illinois State University, and majored in art at Washington University, continuing to paint and draw as a hobby. She is the daughter of Mayor and Mrs. Charles McCormack of Salem, Mrs. Wilson and her husband, David, a contractor, are the parents of three sons.

The local campaign will be held from March 15 to 23. Heart Sunday will be observed March 16, Mrs. Wilson said.

New Polk directory tells about this area, A to Z

R. L. Polk & Co. of Taylor, Mich., has started delivery of its 1975 Tri-Cities Directory, including Granite City, Madison, Mitchell, Pontoon Beach and Venice.

The publication is being delivered to its local subscribers. The directory contains four major departments along with an introduction and a statistical and general review of the communities.

The classified section contains a list of the names and addresses of business and professional concerns arranged in alphabetical order under appropriate headings.

The alphabetical section of the directory shows the name, marital status, occupation and address of each local resident. Husband and wife are counted as one name, and eighteen is still the minimum age of individuals listed.

The third section is the directory of householders, including a street and avenue guide.

This section lists the numbered streets in numerical order, followed by the named streets in alphabetical order. The residents on every street are listed along with the telephone number. New neighbors are identified by a star appearing between street number and name of occupant.

The numerical telephone directory is the last major section of the book. Telephones are listed in numerical order, with the individual or business who has the number listed alongside.

The first and last names appearing in the alphabetical section of the new directory are Dorothy Aaron and Kathleen Zweibler.

The National Endowment for the Arts will continue to offer grants to composers, librettists (writers of musical theater works) and translators during the next fiscal year, according to the Office of Research and Projects of Southern Illinois University at Edwardsville.

John Rodman, coordinator of the Research Office of the National Endowment for the Arts, said that grants will be offered in three categories:

Fellowship grants of up to \$10,000 to exceptionally talented composers for the creation of new works or the completion of works in progress.

Similar grants of up to \$5,000 to librettists and translators or translators of musical theater works, and translators of musical theater works, and translators of musical theater works.

And fellowship grants of up to \$2,500 to aid the professional development of the composer, librettist, and/or translator of exceptional talent.

"Eligibility is limited to composers, librettists or translators of exceptional talent and evidenced experience, and individuals who can give evidence of successful completion of the necessary qualifications in training," Rodman said.

Deadline for applications is April 1. Further information is available from the Office of Research and Projects, Room 2202, SIUE General Office Building.

Mrs. Florence Spahr will entertain the club at its May 5 meeting.

Mexican-American group to meet here

The Mexican-American Cultural Commission of Metro-Saint-Louis will hold its monthly meeting at 2 p.m. Saturday at the East Side Levee Board and Sanitary District office, 1707 Madison Ave.

The commission, which usually meets in South St. Louis, has arranged its March meeting in Granite City for the convenience of members living in the Illinois area, according to Mrs. Elva Ortiz, a local director on the commission's governing board.

Persons interested in the history and culture of Mexico are invited to attend Saturday's session, which will include a brief slide presentation, "An Introduction to the Aztec Calendar."

Further information about the Mexican-American Cultural Commission may be obtained by calling Mrs. Ortiz, at 877-4645, or George Berri, at 314-421-7788.

Chicken dinner Sunday at Temple

A chicken dinner, open to the public, will be served Sunday at the Masonic Temple from 11 a.m. until 7 p.m. It was announced at a meeting Monday evening of past masters of Granite Chapter 600, Order of Eastern Star.

The group met in the home of Mrs. Katherine Roman. Mrs. Louise Meador, newly elected president, was in charge. She reported that chapter members will help to serve at Sunday's dinner.

Reservations were accepted for the past masters and past masters dinner set for 6:30 p.m. April 5, at the Masonic Temple.

In the last hour games were played and prizes were awarded to Mrs. Hulda Griffith, Mrs. Cora Hettich and Mrs. Kathryn Edmondson.

Refreshments were served to Mesdames Mary Ellen Lewis, Betty McClintock, Rachel Lantieri, and those previously named.

Mrs. Florence Spahr will entertain the club at its May 5 meeting.

ASF promotions

American Steel Foundries, Chicago-based division of Amsted Industries, has just announced four top-level appointments — Louis D. Davis, executive vice-president; C. W. McCullough, vice president-manufacturing; Robert P. Radwyl, vice president-product engineering; and Donald E. Meves, manager-manufacturing services.

Carl O. Sundberg, ASF president, said the promotions are effective as of March 1. Davis, in his newly-created position, will be responsible for the company's manufacturing, product engineering and industrial relations divisions. ASF's marketing and finance divisions will continue to report directly to Sundberg.

A 1947 veteran with ASF, Davis joined the company's product engineering section in 1948. He became director of product engineering in 1956, vice president-product engineering in 1960 and vice president-manufacturing and product engineering in 1973.

He received his mechanical engineering degree from the Northwestern University Technological Institute in 1951. McCullough, who will direct all manufacturing operations, joined ASF in 1957.

He has served as assistant to the works manager at the company's Granite City steel foundry; chief industrial engineer at the Chicago general office; assistant works manager at the East Chicago, Ind., steel foundry; and works manager at ASF's Hammond, Ind., plant.

Since 1973, he has been assistant vice president-manufacturing.

He graduated from the Illinois Institute of Technology in 1943 with a bachelor of science degree in mechanical engineering. While a student there, he also worked part-time

C. W. McCULLOUGH

as ASF's Hammond plant under a cooperative apprentice program.

Radwyl, who will be in charge of product engineering, joined ASF in 1956. He was appointed manager of product engineering in 1967 and chief engineer in January 1974.

He has a bachelor of science degree in mechanical engineering from Chicago Technical College and has taken graduate engineering courses at St. Louis University and the Illinois Institute of Technology.

Meves, in his new post as manager-manufacturing services, will continue to have ASF's purchasing, works engineering and industrial engineering activities report to him.

A 1947 metallurgical engineering graduate of the University of Wisconsin, he joined ASF in 1953 as a senior research metallurgist.

He became a superintendent at St. Louis University and the Ohio, steel foundry in 1963, assistant works manager at

L. D. DAVIS

Alliance in 1969 and assistant to the vice president-manufacturing at ASF's Chicago headquarters in July 1974.

Both McCullough and Radwyl report to Davis, while Meves will report to McCullough. ASF is one of the nation's largest producers of steel castings for railroad freight cars. Its products include side frames and bolsters for freight car trucks, couplers, yokes and brake beams.

The company also manufactures fifth wheels for truck tractor-trailers and springs for use on railroad cars, construction equipment and farm machinery.

Baroque concert

The Collegium Musicum of Southern Illinois University at Edwardsville will present a baroque music concert Saturday at 8:15 p.m. in the Dome Room of the Religious Center on the SIUE campus, and on Monday, March 10, at 8:15 p.m. at Hatheway Hall, Lewis and Clark Community College in Godfrey.

Edwin B. Warren, professor of music, is director of the Collegium Musicum, which is dedicated to the study and performance of early and rarely-performed music.

Paul Schmidt, a member of the music faculty at Lewis and Clark Community College, will be guest conductor for portions of the two performances.

The program includes Fantasia by John Hingston (1810-1863), Sonata for Solo and Continuo by Handel (1685-1759), Les Graces - Natures by Couperin (1668-1733); organ voluntaries by Matthew Locke (1632-1677), Thomas Tomkins (1573-1656) and Henry Purcell (1659-1695); and Sonata Number 2 by Dariusz Castello (early 17th Century).

Kathleen Thomerson, instructor in organ at SIUE, will be guest artist for the three organ voluntaries.

Following intermission, the Collegium Musicum will play Te Deum by Marc Antoine Charpentier (1634-1704), by Schmidt conducting.

Anita Gasparovic and Steven Anton are wed

Miss Anita Marie Gasparovic, a daughter of Mr. and Mrs. Andrew Gasparovic Jr., 2150 Edison Ave., and Steven D. Anton, son of Mr. and Mrs. Elmer Anton, Rural Route Three, Imperial, Mo., were united in marriage on Feb. 28 at St. Mary's Greek Catholic Church, 13th and Iowa Streets, Madison.

The Rev. John Light performed the double ring ceremony at 1 o'clock in the afternoon. Burning tapers in tall branched candelabra, white satin ribbons marking the pews and low baskets of greenery provided the setting for the service.

Richard Judd sang "If We Only Have Love" by Jacques Brel and "The Wedding Song." Escorted to the altar by her father, the bride chose a gown of ivory silk organza and delicate satin fashioned in a princess silhouette.

Floral Venice lace motifs traced the scoop neckline and the long full sleeves, with a satin and lace trim-eding the tightly fitted cuffs.

Narrow bands of lace appliques accented the bodice and encircled the deep satin border of the long skirt, which extended into a full sweep train. She wore a large picture hat delicately embellished with lace motifs. A satin ribbon encircling the crown formed a veil bow to secure a gossamer veil of illusion.

Her bouquet was an arrangement of white roses and baby's breath centered in a garland of lace and ivory velvet streamers.

The honor attendant, Miss Mary E. Perdue, was gown in burgandy jersey. Her full length dress had a high fitted neckline, banded in ivory Venice lace, and the Empire bodice was accented with a narrow satin ribbon.

The long tapered sleeves were cuffed with ivory ruffled lace, matching the border around the hem of the circular skirt. She carried a bouquet of pink Sweetheart roses, white mums and baby's breath edged with lace and tied with pink velvet streamers.

The groom selected his brother, Gary Anton, as best man.

Alan Gasparovic and John R. Shilt seated the guests.

For her daughter's wedding, Mrs. Gasparovic wore a light blue gown, floor length. The groom's mother was attired in a long dress of blue and pink floral material. Both mothers wore corsages of pink Sweetheart roses.

Guests were received by the newly married Mr. and Mrs. Anton at a reception at the Knights of Columbus Hall.

Parents of the bride hosted a rehearsal dinner in their home

on the evening preceding the wedding.

The bride graduated from Webster College with a B.A. degree in theatre, music and dance. Her husband received a degree in business from the University of Missouri.

They are now residing in St. Louis.

Out-of-town guests here for the wedding were Mr. and Mrs. Richard Judd and family from Kansas City, Mo.

Right to Life plans newsletter

The Right to Life group met last week in St. Elizabeth Hospital library and voted to accept the revised bylaws and made plans to prepare and send a quarterly newsletter to members.

Mrs. Vicki Jacobs, president, was in charge of the discussions and Mrs. Fern Baker reported on a previous meeting.

Informational booklets on abortion have been secured for use by the members and general public, Mrs. Helen DeRuntz said. Films on the subject for use at special meetings also are being sought, she said.

The next meeting will be March 24 in the hospital library.

Barton-Wallace nuptials

Miss Connie Dianne Wallace and Army Specialist Four Terry Lee Barton were united in marriage in a ceremony performed at a Dover, (Tenn.) church on Feb. 15.

The bride is a daughter of Mr. and Mrs. Russell Wallace of

Bumpus Mill, Tenn. Parents of the groom, Mr. and Mrs. Golden Barton, reside at 48 Moorland Drive, Granite City.

The newly married couple is residing at Fort Benning, Ga., where the groom is presently stationed with the U. S. Army.

Judo demonstrated for Pack 7

Len Hughes and two of his students from the Tri-Cities Area YMCA judo program demonstrated the art at the annual blue and gold banquet of Cub Pack 107, sponsored by the Venice-Madison American Legion Post 307, held in the Venice Recreation Center.

Decorations made by the Webelos den and cubs of Dens 1 and 2, included blue placemats and napkin rings inscribed with a fleur de Lis emblem. Centerpieces were paper-mache Cub Scout heads and miniature trees with different badges attached also were used.

Fathers attending received fleur de lis emblems and the mothers were presented with corsages of blue feathers encircling a fleur de lis.

The evening dinner meeting was opened by Webelos Randall Cowin, Ronald Buechele, Lloyd Blumenstock and Frank Wilkinson.

The Cub Scout hymn was sung by Eddie Beck, Larry Williamson, Steve Blatz, Larry Hartman, Terry Daniels, Harold Koelker and Paul Bibrey of Den 1, and Eddie Hoover, Jason McGehee, Doug Rankin, Charles Fenner and Matthew Fechte of Den 2.

The Rev. John O'Connell gave the invocation and Cubmaster Pete Wilkinson welcomed the group.

Special guests introduced were Venice Mayor William "Mike" Ebersold, City Clerk Lloyd Patterson, Mrs. Beulah Williams, Mr. and Mrs. Ronald Luebben, LeRoy Jones, the Rev. and Mrs. John Jamison of the Venice Methodist Church, Mr. and Mrs. Jack Tolliver, August Rhemus and Ted Scrum.

Cubmaster Wilkinson presented awards to Steve Blatz, silver arrow; Harold Koelker, Wolf badge; and Terry Daniels, one-year pin and one-year perfect attendance pin, all of Den 1.

Matthew Fechte, Eddie Hoover and Doug Rankin, Wolf badges and gold arrows; Jason McGehee, Wolf badge and gold and silver arrows; and Charles Fenner, Wolf badge. Lloyd Blumenstock received an artist badge and advanced to Boy Scout Troop 1 in a ceremony conducted by Wilkinson, Tolliver and Rhemus.

Three-year pins were received by Wilkinson and Mrs. Delores Scaurro; two-year pins by Jeanette Wilkinson, Kate Buechele and Harold Buechele and a one-year pin by Jan Blatz.

The cubmaster also was awarded a special plaque. The Rev. Jamison gave the benediction and the colors were retired by Eddie Beck and Eddie Hoover.

Circus theme at Pack 24 dinner

The birthday of scouting was celebrated at a blue and gold banquet by Cub Scouts of Pack 24, sponsored by the Russell Johnson School PTA, at their meeting last week.

Guests of honor were the school principal and his wife, Mr. and Mrs. Richard Brinkhoff.

Den 8 presented the colors at the opening ceremony and led the group in prayer.

Members of Den 1 entertained with circus acts and "Crackers the Clown" also performed.

Awards were presented by Mrs. Karen Cooper of Den 1. Wolf badges were given to Russell Copper and Mike Bowman, and Eddie Glass received a one-year pin.

Mrs. Donna Peterson, leader of Den 2, awarded Jim Fletcher and Marty Pulley silver arrow points and a Bear badge and a gold arrow point to David Peterson. Fletcher also received a one-year pin.

Bear badges were given to Sam Stevenson, David Smith, Jim Howard, Scott Thomason, Roger Turnbough and Skip Sponeman by Mrs. Beverly Sponeman, leader of Den 3. Skip Sponeman also earned

Board of Education, has been issued by State Superintendent of Education Joseph M. Cronin. The chart, effective March 1, shows the State Board as the policy-making body with Cronin as its appointed chief school officer.

The chart emphasizes continuity in most functions of the state education office, Cronin said.

New to the chart, however, is vocational-technical education, which on Jan. 13 was joined with the former Office of the Superintendent of Public

Instruction to become the Illinois Office of Education. Under the new organization, 15 assistant superintendents report to the superintendent and his executive assistant, Allan Cohen.

Assistant Supt. Richard Haney is in charge of the Southern Illinois regional office at Mt. Vernon, and Assistant Supt. Robert Lyons assumes responsibility for the Chicago office.

In addition, four of the assistant superintendents—Susan Bentz, John Alford,

Warren Carson and Nelson Ashline—are assigned as division coordinators to insure smooth functioning within and among divisions.

Johnson, formerly of Madison, heads the community relations staff.

Dr. Cronin, in announcing the administrative organization, said: "Most of the organization remains intact and should be very familiar to school districts."

He added that in most cases the phone numbers also will remain the same.

"However," he said, "no organization can remain the same for very long. Changes in the Elementary and Secondary Education Act, the priorities of the board, and ideas from education leaders may bring further changes in the coming year."

Assistant superintendents include: John Alford, planning; Don Elick, governmental relations; Ted Storie, research.

Nelson Ashline, program department; Gloria Calvini (acting assistant superintendent), exceptional children; Earl Patton, instruction; Robert Lyons, urban and bicultural education.

Susan Bentz, professional relations and services; Bill Page, pupil services; Richard Small, recognition and supervision.

Warren Carson, budget and statistics; Kenneth Smith, data services; Ron Reguly, fiscal management; and Sherwood Dees, vocational and technical education.

Vegetable gardening school

By RON CORNWELL
Agriculture Extension Adviser
A vegetable gardening school will be held Monday, March 10 at 7:30 p.m. in the basement of the Farm Bureau building, 900 Hillsboro St., Edwardsville.

The response to the school two weeks ago was large enough to warrant a repeat of the program. The program will cover the latest information in the area of gardening. With high food cost, many people never before interested in gardening are considering putting out a garden this spring as a way of helping their budget.

What are the best varieties of vegetables to plant? How much fertilizer should I use? How much can I raise on a small plot in the back yard? What about "organic gardening"? These are some of the many questions that will be discussed at the gardening program. If available, copies of the 1975 Garden Guide will be provided.

Chris Doll, area adviser in fruits and vegetables with the University of Illinois, will be the speaker. For additional information interested persons may contact the Cooperative Extension office, 900 Hillsboro St., Edwardsville, or by calling 656-7200.

+++
We have had wild garlic in wheat for many years here in Illinois. Until last year, most farmers paid little attention to the garlic since the damage was small. In most cases it was more economical to accept the damage than to spend the money necessary to control the garlic.

This past wheat harvest season, very high garlic damage renewed the interest in controlling garlic in wheat. Today a wheat farmer can hardly afford to not control garlic in wheat.

The complete elimination of wild garlic is very difficult and can be accomplished only over a period of time longer than one cropping season.

Madison County farmers with a garlic problem in wheat this spring will want to spray to control the garlic and reduce damage. However, high enough rates of herbicide can't be used on wheat to do more than stunt the garlic.

Research indicates that 2,4-D ester can reduce the formation of aerial bulbils and can distort plants. Many of the remaining aerial bulbils can then be missed if the combine header is set relatively high. Do not use 2,4-D where you wish to save a legume underseed in the wheat.

Small grains can be sprayed with 2,4-D in the spring after boot stage, but before the boot stage. The boot stage is when the top of the stem appears somewhat like a four-buckle overshoe, without the buckles, and the young head may be found inside the stem. If the herbicide is applied earlier, tiller production may be reduced.

Spraying during the boot stage when the very young developing wheat head is still inside the stem may also cause injury to the wheat and reduce yields. The proper time for spraying winter wheat is usually late March or early April. This is when the wheat is from four to eight weeks high. Use of one-half to three-fourths pounds of 2,4-D ester or

three-fourths to one pound of the amine form is suggested. These rates may reduce the wheat yields and would probably kill legume underseedings. Probably only about one-third to one-half of the wild garlic or wild onion will be killed, but the remaining plants will be distorted.

Wild garlic and wild onion usually can be controlled quite well by growing crops which can be plowed in late fall or early spring. This plowing combined with cultivation during May and June can reduce greatly the growth and reproduction of these weeds.

Growing corn or soybeans with adequate tillage for three or four years can reduce greatly, if not eliminate, the problem of wild onion or garlic.

In grass pastures, one or two pounds of 2,4-D ester applied in the late fall or early spring has sometimes given effective control. Where it can be used with approximate precautions, dicamba (Banvel) is as effective and often more effective than 2,4-D.

+++
With the high cost of production of wild crops, it is very important that high quality seed be used. With spring planting near, now is the time to consider your seed. To be sure that you are using good seed, you may want to run a germination test.

Madison County farmers can send soybean or corn samples to State of Illinois, Department of

Sheltered workshop opens here Wednesday, banquet set March 15

A new Sheltered Workshop in the Quad-City area, owned by the Organization for the Advancement of the Handicapped (OATH), will open Wednesday, March 12.

A banquet celebrating the opening will be held at the new workshop, 612 State St., Madison, Saturday evening, March 15. Tickets costing \$8 per person are available from any OATH board member.

Reservations may be made through Tuesday, March 11, by calling Mrs. Frank Schwallier at 876-4973. The public is invited and parents of those who will be working in the new workshop are urged to attend.

At the regular meeting of the OATH Board last week, the New Projects Committee was granted permission to continue its study into the feasibility of

Agriculture, Division of Plant Industry, Emerson Building, Fairgrounds, Springfield, Ill. for a germination test. There is no charge for the first five samples sent to the laboratory each year by an individual farmer. After the first five samples, the regular fee is \$2 for purity analysis and \$2 for a germination test.

Any sample sent to Springfield for germination should be properly identified with the name and address of the sender.

Each year the University of Illinois conducts corn hybrid trials and commercial soybean trials at the various research fields in Illinois. Entries in the variety trials are made by various commercial companies.

Corn hybrid trials are conducted at Woodstock, DeKalb, Elwood, Galesburg, Carthage, Hartburg, Urbana, Greenfield, Brownstown and Dixon Springs. The soybean variety trials are conducted at DeKalb, Urbana, Brownstown, Belleville, Carbondale and Dixon Springs.

The results of the 1974 corn hybrids are published in Circular 1108, 1974 Performance of Commercial Corn Hybrids in Illinois. The results of the 1974 soybean varieties are published in Circular 1107, 1974 Performance of Commercial Soybeans in Illinois. Both circulars are available free upon request through any Extension office in Illinois.

Sheltered workshop opens here Wednesday, banquet set March 15

establishing sheltered businesses for the handicapped in the Quad-City area.

To better acquaint OATH members with the sheltered business concept, an April 9 bus trip has been planned to the Lambs, a corporation near Libertyville, Ill. The Lambs, which is privately-owned, operates a project called The Farm which has several businesses, a pet shop, a gift shop, a restaurant and other shops in which the handicapped are trained to work.

Some remain at The Farm after completing their training and others go into the community to work.

The bus will leave Granite City about 5 a.m. Wednesday, April 9, and will return that evening. Tickets for the trip, including round-trip transportation, cost \$13 per person.

Raymond Joyce dies at 49

Raymond "Jingles" Joyce, 49, of 1014 Marshall Ave., Ill. for five days, died at 10 a.m. Monday at St. Elizabeth Hospital where he had been a patient three days.

A native of Hillsboro, Ill., he moved to this area 20 years ago. He was employed as a truck driver for the M. C. Slayter Co. in Mitchell two years.

Survivors include two daughters, Mrs. Lloyd (Karen)

Mitchell of Mitchell and Miss Eleanor Joyce of Litchfield; one brother, Harry Joyce of Watt, Ill.; three sisters, Mrs. Clarence (Nadine) Wolf of Staunton, Mrs. Robert (Pauline) White of Walshville, Ill., and Mrs. John (Betty) Hardison of North Carolina, and three grandchildren.

Funeral services were held Wednesday. Details are given in the obituary column.

Veterans' loan fund is growing

Donations by the Association of Collegiate Veterans (ACV) to the Military Veterans Loan Fund on the Southern Illinois University at Edwardsville campus total \$1,294, according to Charles B. Schweizer, executive director of the SIUE Foundation, which supervises operation of the trust fund.

The fund received a \$100 boost this week with presentation of a check to Schweizer by Gary Storey of Troy, president of the ACV chapter at the university. The money represents proceeds of a giveaway promotion sponsored by the ACV in recent weeks.

It's not the amount of money that's important," Schweizer said. "What's important is the fact that the students are doing something for themselves."

A retired Army colonel, Schweizer said nearly 100 veterans have been helped with the fund since it was established by the ACV in 1972.

Funds have been raised through bake sales and other promotional events, as well as direct solicitation. "Three-fourths of the money we make goes to the Foundation's loan fund," Storey said.

More than 2,000 of the current students at SIUE are veterans, Storey said. He said the ACV organization, founded on the campus in 1971, is expanding its activities and hopes to organize chapters on other college campuses in the area.

Storey, who is majoring in psychology at SIUE, was elected president of the ACV chapter this year. He is a veteran of the Vietnam era; his overseas service was with the U. S. Navy in the European area.

STRUCK BY A CLUB
Jeffrey Boyles, 22, of 2816 Forest Ave., was admitted to St. Elizabeth Hospital during the weekend after his head was struck by a club. He suffered a five-inch cut to his scalp.

Believe kidney transplant a success

Donald Gean, 40-year-old Granite City resident, a victim of the rare Fabry kidney disease, underwent a kidney transplant operation Feb. 21 at the Mayo Clinic, Rochester, Minn., according to his family. The family said he is in good condition and the operation is believed to be a success. He will remain in the Minnesota hospital for about a month before he can return home.

He is the second member of his family to undergo the same operation. His brother, Ray Gean also of Granite City, had the kidney transplant operation in May 1972.

Donald Gean had been treated for the disease since it was discovered by doctors that his brother was ill.

Friends and neighbors of Donald Gean are sponsoring a benefit show, featuring country western music at the VFW Hall, 2044 Washington Ave., on Sunday.

The musical programs will begin at 2 p.m. and continue through the afternoon and evening. The program is open to the public.

TELEVISION STOLEN
A \$350 television set was stolen during a burglary at the home of Thomas Rippee, 2074 Fourteenth St., it was reported this week. A rear entry door to an addition and the door from the addition to the kitchen were pried open to gain entry.

VANDALS IGNITE SHED
A fire apparently started by vandals caused \$75 damage to a frame utility shed and its contents at the home of Leroy Metzger, 2145 Cleveland Blvd. Neighbors reported seeing two juveniles running from the shed area. Firemen were at the scene about 25 minutes.

Proceeds from the event will be given to the Gean family to aid in payment of medical expenses and provide transportation to Mayo Clinic for the regular examinations which follow this type of surgery, a family spokesman reported.

Frank Draganich, 88, dies

Frank Draganich, 88, of 2715 Grand Ave., a 56-year resident of Granite City, died Monday afternoon at the Madison County Nursing Home in Edwardsville.

He had been a patient at the nursing home for three years. He was born in Yugoslavia. Mr. Draganich was employed as a millwright helper at Granite City Steel until he

retired in 1959, and then was employed for 13 years with the Granite City Park District.

Survivors include his wife, Mrs. Sophia Draganich; one son, Frank J. Draganich of Granite City; a daughter, Miss Anna Draganich of Altoon and three grandchildren.

Funeral services were held Wednesday. Details are given in the obituary column.

Consolidated Rail Corporation system being planned for this area

By LESTER BELL
Press-Record
Washington Bureau

The federal government's preliminary plan to rehabilitate deteriorating freight railroads in the Northeast and Midwest includes 659.3 miles within Illinois.

The United States Railway Association (USRA) has sent its thick, two-volume plan to Congress and the White House, at the same time disclosing it at a news conference.

Congress established USRA to restructure bankrupt railroads carrying half the freight and most of the passengers in the Midwest and Northeast.

The rail act creating USRA also sets up the Consolidated Rail Corporation (Conrail) as the operating entity of the restructured system.

Conrail could commence early in 1976 after the final system plan is approved.

USRA's preliminary plan for Conrail envisages 15,000 miles of the nation's bankrupt lines. Another 6,200 miles would be abandoned or subleased.

A \$90 million program which provides that local or states governments underwrite 30 percent while the federal government subsidizes 70 percent of a line's operating losses.

The tentative 659.3 Conrail miles for Illinois include 279.5 miles for main line and 379.8 miles of light-density line, which USRA officials call the "sensitive" area of the preliminary plan.

USRA also designated 16 short-to-medium distance corridors in heavily urban areas for new or improved passenger services.

It said the "most significant new corridor service would be provided between the cities of Cincinnati and Detroit, Cleveland and Pittsburgh, Chicago and Cleveland, and Washington and Pittsburgh."

USRA recommends 80-mile-an-hour trains on "modest frequency operations," with improvement in demand warrants on these new corridors.

These routes could start in

three to five years over rehabilitated Conrail track.

USRA's preliminary recommendations for the Midwest include expansion of passenger service in Illinois. Lines to Milwaukee, from 7 to 10 round trips a day; Chicago-St. Louis, 3 to 4 daily; Chicago-Detroit, 2 to 4; Chicago-Indianapolis, 1 to 2; and Indianapolis-St. Louis, 1 to 2.

USRA also calls for starting service between Chicago and St. Louis on three daily round trips.

"Auto train" service is recommended between Harrisburg and Chicago. If this is successful, a second auto train would run between Albany and Chicago.

From an operational standpoint, USRA recommends substantial expansion of intermodal facilities at the 47th Street Yard in Chicago and in East St. Louis.

The preliminary USRA plan also calls for the Blue Island yard in Chicago will have a much more important role in the Conrail system than at present.

The mainline from St. Louis to Indianapolis, by way of Effingham, gets the second highest priority in Conrail rehabilitation plans.

Other Conrail mainlines in Illinois include Chicago to Toledo.

More than \$700,000 already has been authorized by USRA under the 1975 Program for Road Capital Improvement Projects in Illinois.

Illinois has a total of 14,466 miles of all its railroads, of which 1,322 miles are called bankrupt.

Here are the terminal points and mileages of 11 routes to be included in USRA's preliminary plan for Conrail for Illinois light density lines:

Lenox-East Alton, 8.6 miles; Danville-Paris, 31.8; Harrisburg-Olmstead, 56.1; Harrisburg-Della, 10.7; Danville-Urbana, 28.0; Pekin-East Peoria, 1.9; Urbana-Bloomington, 55.5; Bloomington-Pekin, 30.0; Mattoon-Paris, 38.0; Mattoon-Hillsboro, 67.0; and East St.

Louis-Hillsboro, 63.7. Thirteen light-density lines totaling 320.4 miles in Illinois are available for subsidy and further study, according to the USRA preliminary plan:

Mattoon-Pekin, 9.4; Dupe Junction-Dupee, 1.2; Ladd Junction-Churchill, 2.6; Ladd Junction-Zealand, 6.4; Paris-Hillsboro, 35.9; Hutsonville-Robinson, 10.2; Robinson-Mt. Carmel, 45.1; Mt. Carmel-Harrisburg, 62.4; Paris-Decatur, 70.9; Marco-Decatur, 12.0; Marco-Wayneville, 19.5; and East Peoria-Alton, 40.5.

USRA lists no Illinois light-density lines for "further analysis," the category for special conditions or postponed decisions.

USRA lists three Illinois light-density lines which have been previously abandoned: East Alton-Alton; Farrington-Paris; and Leford-Terminus.

Illinois has 109.4 light-density miles "out of service" which do not enter into USRA's plan for Conrail: Englewood-LaSalle Street, 6.6; Chicago-Kankakee, 34.8; West Frankfort-Joliet, 11.5; Litchfield-Hillsboro, 13.6; Olmstead-Cairo, 15.2; Sahara Mine-Marco, 0.5; Wayneville-Alton, 4.5; and Hickory Creek-Des Plaines, 1.4.

Before USRA's plan becomes final, public

hearings have been scheduled by the Rail Service Planning Office of the Interstate Commerce Commission.

A hearing will be held March 17-21 at Springfield, and another series March 18-21 in Chicago.

USRA will continue to give further study to lines not included in Conrail to see if data can be developed indicating the line could be operated economically by Conrail.

States and local authorities have the option of keeping non-Conrail lines in service under Title V of the Rail Act.

This title makes \$90 million in federal funds available for rail continuation subsidies for two years after the effective starting date of the final plan.

The subsidies are provided under a 70 percent federal and 30 percent state or local funding formula.

Illinois is entitled to \$4.5 million each year under Title V. This can be supplemented from Secretary of Transportation discretionary funds, which make up 50 percent of the federal support program.

To be included in the final Conrail plan, a financially self-sufficient line is one that:

1. Generates enough revenue

without subsidy, or should be continued under subsidy or turned over to a solvent carrier; Lines that could be operated without a loss to Conrail would be reclassified immediately for inclusion in the system.

USRA, in studying light-density lines for Conrail inclusion, used a formula to determine whether a line was economically self-sufficient on the basis of traffic carried, types of traffic, tonnage, revenues, cost and projected growth.

Coal field service also enters into the review of lines not included in Conrail.

Recommendations concerning specific lines—largely or solely because they serve fossil fuel reserves—will be included in the final system plan.

Felony law urged in State Capitol 'bugging' discussion

Legislation to make electronic bugging a felony instead of a misdemeanor was suggested to the General Assembly during the weekend by Michael J. Howlett, secretary of state.

In identical letters to William A. Redmond, speaker of the House, and Cecil A. Parbie, president of the Senate, Howlett said:

"I have become increasingly concerned about use of electronic wiretapping and eavesdropping devices in various sectors of our society. I am aware that Illinois has through criminal sanctions to protect the public. However, penalties for violation seem minimal."

"At present, such a violation of Illinois law is a Class A misdemeanor is six months to a year in jail. The minimum for a felony is a year in a state penitentiary."

"Please consider this a formal request for introduction of such legislation. Be assured I will assist in every way I can."

George W. Lindberg, state controller, reported Feb. 12 that private investigators had

found evidence of electronic eavesdropping within the Capitol complex.

Howlett is chief custodian of the Capitol buildings.

"Electronic surveillances in government buildings or anywhere else are illegal in Illinois without a court order," said Howlett.

The maximum penalty upon conviction of a Class A misdemeanor is six months to a year in jail. The minimum for a felony is a year in a state penitentiary.

AUGUST BRIDE-TO-BE. Miss Donna Peterson, whose engagement to Brad Kopitsky of Creve Coeur, Mo., is being announced. She is a daughter of Mrs. Helen R. Peterson, 3111 Colgate Place, and the late B. D. Peterson.

Donna Peterson to marry

Plans for an August wedding were disclosed by Miss Donna Peterson and her fiancé, Brad Kopitsky of Creve Coeur, Mo., with the announcement of their engagement by the bride-elect's mother, Mrs. Helen R. Peterson, 3111 Colgate Place.

Miss Peterson is the daughter of the late B. D. Peterson. She is a graduate of Granite City High School and will receive a B.S. degree from Drury College, Springfield, Mo., in August.

The bride-elect presently is completing a one-year residency in medical

technology at Lester E. Cox Medical Center, Springfield, Mo. Certificates of appreciation were presented to past pack leaders by Mrs. Carol Carpenter, advancement chairman. Those receiving awards were Bill Johnson, Joyce Wilson and David Wilson.

Cub Scouts receiving awards from Schreiber were: Tommy Gann, dinner tabs; Leon Bug, assistant dinner tabs; Bobby Carpenter, Wolf badge; and Ricky Williams, Bear badge and two silver and one gold arrow points.

The "cubby" award went to Den 1. Special guests attending the banquet included Marshall Principal Richard Ault, his wife and daughters, and the school custodians.

Den 3 led the closing ceremony.

Magic show sparks Pack 17 event

Glenn Tonsor, a local magician, entertained guests at the annual blue and gold banquet of Cub Pack 17 held at Marshall School. The dinner marked the 65th birthday of the scouting movement.

Den 1 led by Mrs. Shirley Gann presented the opening flag ceremony and the invocation was given by Louis Rohlfing.

Other entertainment included Den 3 cubs singing "Smile," directed by Mrs. Louise Williams.

Cubmaster Bill Schreiber was in charge and each Cub Scout introduced his parents and spoke about his hobbies. A story relating to den meetings was illustrated with flash cards shown by the cubs.

Plans for a trip to the "Ice Capades" by Den 1 and a pinewood derby at the March pack meeting were announced.

Nameoki PTA fetes past officers

Past presidents of Nameoki Parent-Teacher Association were honored and recognition was accorded Boy Scout units at a Founders' Day program held last week at the school.

Mrs. Barbara Coleman, program chairman, introduced Matt Ozanich who presented several Boy Scouts in a demonstration of physical skills. The youths also displayed various collections they had prepared.

Nameoki past presidents who were honored and each presented with a rose, included Mrs. Dawson Wade, 1949-50; Mrs. Harold Stewart, 1952-53; Mrs. Dina Fox, 1955-56; Donald Kopp, 1961-62; Walt Volkmar, 1964-65; Mrs. Vera Farrow, 1969-70; Mrs. Katie Wilson, 1970-71; Mrs. Virginia Apperson, 1971-72; and Mrs. Phyllis Brusatti, 1973-74.

Mrs. Brusatti also was honored and given a special gift as a recipient of the Boy Scout Silver Beaver Award.

The main table was centered with a large decorated cake,

inscribed with the names of all past presidents, which was served with other refreshments after the meeting.

PTA President Vince Rogier conducted the business session and announced the annual spring carnival will be held on May 2.

Tentative plans were made for the school picnic. Arrangements will be completed at the next meeting, Rogier said.

Kathleen Soechtig weds James Bruce Morris Jr.

The wedding of Miss Kathleen Soechtig, a daughter of Mr. and Mrs. Norman H. Soechtig, Rural Route One, Granite City, and James Bruce Morris Jr., son of Mr. and Mrs. James B. Morris, 1175 Crittenton, St. Louis, was solemnized on Jan. 25 at Hope Lutheran Church.

Officiating at the double ring ceremony at 7 o'clock in the evening were the Rev. David Fleiding and the Rev. J. Bruce Melton.

For her wedding, the former Miss Soechtig chose a satin bridal gown in A-line style, designed with an Empire bodice and slightly full skirt.

Chantilly lace trimmed the high neckline, Victorian sleeves, bodice and skirt, and edged the chapel train.

A satin headpiece enhanced with Chantilly lace and pearls secured her elbow length veil. She carried a cascade of white roses and a shrimp-colored baby's breath.

The matron of honor, Mrs. John Scott, a sister of the groom, and the bridesmaids, Mrs. Sue Mell and Mrs. Jack Ashford, a cousin of the bride, were gowned alike.

Their full length dresses made in A-line style were created of shrimp colored knit and complemented with long sleeved bolero jackets.

Each attendant wore a matching net bow in her hair and held a bouquet of white pom poms and gladiolus in salmon pink shades.

Jennifer Kluefer, a cousin of the bride, served as flower girl. She was dressed in a white frock with an Empire bodice and a ruffled apron effect on the skirt. She wore a bow in her hair and carried a basket of

blossoms. Timothy Morris, a brother of the groom, was best man. Larry Soechtig, the bride's brother, and John Scott, a brother-in-law of the groom, served as groomsmen.

Escorting the guests to their seats were Mark Grote and Dale Kluefer, cousins of the bride couple. Tom Hansen and Bob Smith were acolytes.

A reception was held at the Croatian Home, Madison, after the service. The rehearsal dinner was hosted by the groom's parents in their home.

Mrs. Soechtig, mother of the bride, chose a pink floral chiffon gown and the groom's mother, Mrs. Morris, selected a blue knit dress, accented with silver on the bodice and sleeves. Both mothers wore orchids.

A 1970 graduate of Granite City High School, the bride also graduated from Southern Illinois University at Edwardsville in 1974. She is employed part-time at Libson Shop.

Her husband was graduated in 1969 from Hazelwood (Mo.) High School and attended SIUE. They are now residing in St. Louis.

MR. AND MRS. JAMES B. MORRIS JR., whose wedding took place at Hope Lutheran Church. She is the former Kathleen Sue Soechtig, a daughter of Mr. and Mrs. Norman Soechtig, Rural Route One, Granite City.

Revival Sunday at Bethel Temple

The Rev. David Crank, an evangelist from St. Louis, will be the featured speaker at a revival beginning Sunday at Bethel Temple Pentecostal Church, 2400 E. 25th St. It was announced by the Rev. Ralph McKinney, pastor.

Services will be held at 7:30 each evening, the host pastor said.

Mr., Mrs. Cecil Green mark 50th anniversary

Mr. and Mrs. Cecil Green, 2831 Buxton Ave., celebrated their 50th wedding anniversary at a party given by their son-in-law and daughter, Mr. and Mrs. John (Betty) Johnson, 1706 Honeybrook, St. Louis, at their home.

Assisting at the affair were the honorees' other two sons-in-law and daughters, Mr. and Mrs. John (Judy) Reece of Chicago and Mr. and Mrs. Cecil

(Jerry) Simpson of Springfield, Mo., and a son, Jim Green of Glen Carbon.

Mr. and Mrs. Green also have eight grandchildren.

Lifelong residents of this area, both Mr. and Mrs. Green are members of City Temple.

They were married on January 31, 1925. Mr. Green was employed for many years at Dow Chemical Co. in Venice until he retired 5½ years ago.

George Buckels marks 84th year

George Buckels was honored on his 84th birthday at a buffet-style dinner and party at the Venice Recreation Center.

The affair was hosted by his daughter, Julia Buckels, who was assisted by the honoree's granddaughter, Mrs. Gladys Collins of St. Louis.

About 75 attended the party, including relatives and friends from Mississippi, Ohio and Tennessee. Many cards, telegrams and gifts were received from well-wishers, including a gift of money presented at the birthday dinner.

Mr. Buckels was born and reared in Tchula, Miss. He came to this area in 1945 and worked for the former Gum Cleaners in Granite City prior to retiring several years ago.

Beside his daughter, Julia, with whom he resides at 212 Watson Road, Eagle Park, Mr. Buckels has a son, Edgar Buckels of Oakland, Calif., and another daughter, Mrs. Martha Watkins of Memphis, Tenn. His wife, Margaret, died on March 3, 1963.

Also assisting the hostess at the party were the Rev. and Mrs. M. C. Davis of East St. Louis, Mrs. Sarah Harris, Mrs. Elizabeth Harris and Mrs. Vashy Buckels, a daughter-in-law of the guest of honor.

Washington School Brownies tour bank

A tour of the First Granite City National Bank was held Monday for Brownies of Troop 778, sponsored by Washington School PTA.

The girls were accompanied by their leaders, Mrs. Carol Rigby and Mrs. Donna Techenor, and three other adults, Mrs. Carol Wessling, Mrs. Daren Deen and Mrs. Christine Aycock.

Troop 778 members attending were Cindy Rigby, Donetta Techenor, Lisa Angle, Nita Sanders, Shane Wessling, Gina Collins, Lee Ann Fanning, Mrs. Wilson and Lisa Deen. A guest was Kelly Rigby.

SOUR CREAM APPLE SQUARES

Apples and cinnamon flavor this moist, cake-like bar or dessert.

2 cups Pillsbury's Best All Purpose or Unbleached Flour
2 cups finely packed brown sugar
1/2 cup butter or margarine, softened
1 cup chopped nuts
1 to 2 teaspoons cinnamon
1 teaspoon soda

Preheat oven to 350°. Lightly spoon flour into measuring cup; level off. In large bowl, combine first three (3) ingredients; blend at low speed until crumbly. Stir in nuts. Press 2/3 cups crumb mixture into ungreased 13x9-inch pan. To remaining mixture add cinnamon, soda, salt, sour cream, vanilla and eggs; blend well. Stir in apples. Spoon evenly over base. Bake 25 to 35 minutes until toothpick inserted in center comes out clean. Cut into squares. Serve with whipped cream, if desired. 12 to 15 squares.

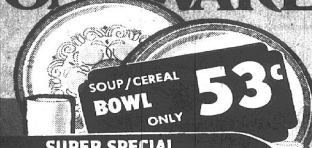

* If using Pillsbury's Best Self-Rising Flour, omit soda and salt.
